Dear Mr. Wilkey:

Enclosed are amended FY04 and FY05 SF 269 Financial Status Report forms for the State of Minnesota regarding HAVA Title II, Section 251 funds. In a conversation a member of my office, Todd Pierce, had with Ms. Sarah Cogan of the EAC, he was told we could substitute these corrected SF 269 forms, dated March 1, 2007, for the two SF 269 forms which were previously submitted to your office, which were dated February 16, 2007.

Although correct amounts were listed on the previous forms, there was an error in the placement of these amounts. Please retain the previous cover letters sent, along with the interest tables which were attached.

Sincerely,

Mark Ritchie
Minnesota Secretary of State

Dear Mr. Wilkey:

As you requested, enclosed is the amended Financial Status Report for the State of Minnesota regarding HAVA Title II, Section 251 funds for the reporting period of October 1, 2003 to September 30, 2004.

Minnesota did not expend any of the Title II, Section 251 funds during this time period. Attached is a table showing the breakdown of interest earned while Title I and Title II funds were deposited in the same interest bearing account. The amount of interest earned, as calculated, was $64,658.70 for the Title II funds from the time the state received the funds on or about August 24, 2004, until the end of this reporting period, September 30, 2004.

In Laws 2003, 1st Special Session, chapter 7, section 4, the Minnesota Legislature designated the amount spent to purchase precinct-count optical scan tabulators prior to receipt of the requirements payment as the state's matching funds, for which no interest was earned.

The fiscal year of Minnesota extends from July 1 to June 30. The state's maintenance of effort (MOE) upon receipt of the requirements payment is reported beginning with the FY 05 Title Payments Report.

This report includes the Standard Form 269 (Long Form).

Sincerely,

Mark Ritchie
Minnesota Secretary of State
