12. Remarks

State Maintenance of Effort (MOE):

The State spent requirements payments during this reporting period on the activities of voting outreach/information, the development of a statewide computerized voter registration system, and training of election officials. No expenditures/budgets of state funds on these two activities are being reported under maintenance of effort for the reasons reported on the SF269 for the period ending 9/30/04: these are not activities for which state funds were budgeted or expended prior to HAVA.

As previously reported, in the spirit of Maintenance of Effort, no federal funds for requirements payments have been used to supplant the state cash funds the department has received for operation and administration of its election-related activities. For the State's Fiscal Year 2004-2005, over $990,000 was expended on election-related activities, a significant increase over the previous fiscal year's expenditures.
