Re: Unity 3.2.0.0 Rev 1 Withdrawal

Dear Mr. Hancock:

Election Systems & Software, LLC ("ES&S") respectfully requests that the EAC accept this notice as ES&S' formal request to withdraw Unity 3.2.0.0 Rev 1 from the current list of EAC certified systems, effective as of September 15, 2012.

At this time ES&S customers are all utilizing newer versions of this particular software and ES&S has no plans to install Unity 3.2.0.0 Rev 1 going forward.

I would also like to respectfully request that all technical bulletins related to Unity 3.2.0.0 as well as Unity 3.2.0.0 Rev 1 be removed from the EAC website effective September 15, 2012, as they are no longer applicable.

Thank you and please let us know if you have further questions.

Sincerely,

Kathy A. Rogers
Senior Vice President of Government Affairs
