Perhaps even Devon or someone could do that, especially since I don't think I have any hours left, and probably shouldn't even be writing this email. We have a very good person to fill the slot for the nonpartisan local election official: J.R. Perez, Elections Administrator for Guadalupe County, TX. Attached is his bio. Hope you have no objections to him. He is available on May 18. I have place 2 calls to Pat Rogers office, but have not yet received a reply. Job, if you have any pull with him, you may want to contact him, too.

Travel Arrangements

You should make your own travel arrangements, including hotel. Travel time cannot be billed to the contract, except for hours actually worked on the contract (i.e.; reviewing materials in preparation for the meeting, and the like). Current Federal rates follow:

Maximum Lodging = \$180 per day- does not include hotel taxes (if you cannot get this rate, we have covered reasonable rates that are a little higher)

Meals & Incidentals = \$64 per day (except that it is \$48 on the first and last day of travel)

000118

Mileage for Personally Owned Vehicle = \$.445 per mile

Under the new contract, I do not have to fill out a travel authorization for you. I can approve your trip via email. Afterwards, when you turn in your next pay voucher, you can attach the airline receipt (or mileage documentation), hotel receipt(s), and ground transportation receipts and a copy of any printed itineraries. Calculate the total travel expenses due you, including applicable per diem. I do not need meal receipts.

Job, under Federal travel regulations, deviations for personal reasons are not normally accommodated. What you can do, however, is to give me a comparison of the cost of roundtrip mileage, hotel, and per diem of doing it your way against the cost of a roundtrip flight, ground transportation, hotel, and per diem. If your way costs less, it should be no problem to cover the full cost. If your way is more expensive, we may only pay up to the amount of traditional travel. (The same rules apply to me when I travel.) If you can tell me where, other than DC, you will spend the night, I can check on applicable per diem rates.

This meeting is being held to obtain input from our eight-member Working Group for the project. The group is composed of election lawyers, election officials, and a representative of an advocacy group, all of whom have an interest and some expertise in the identification and/or prosecution of voting fraud and voter intimidation. The group was chosen so that we would have an equal number of folks on each side of the political spectrum, plus some nonpartisan members.

After our consultants review the results of their preliminary research (interviews, literature review, case law), we will ask the Working Group to brainstorm possible next steps for EAC. Our consultants will write a report summarizing the proposals that come out of this meeting. The report will go to the Commissioners, who will decide what they want to do, funds available, and what priority to assigned to the effort(s).

We have the same set-up here in Arkansas. We hired a person just like Perez. However, given this, I would still like to know if he has a party affiliation and this brings up another issue. How is the county election commission chosen. In Arkansas it is the

000122

Chairmen of the Republican and Democrat Parties or if he/she does not want to serve a person is elected in his/her stead and a third member picked by the party with the most constitutional officers. Practically that has meant that the Democrats have controlled election commissions in Arkansas since the end of Reconstruction. This is why I want to know the situation in Texas.

The following members of the Working Group for our Voting Fraud/Voter Intimidation research project will need to make travel arrangements in order to attend an afternoon meeting of the group on May 18 in Washington, DC:

Mark "Thor" Hearne - St Louis, MO
J.R. Perez - Seguin, TX
The Honorable Todd Rokita - Indianapolis, IN
Kathy Rogers - Atlanta, GA

I may have one additional member from Albuquerque, NM confirmed early next week.

May these people use Adventure Travel to make these arrangements in the same manner as the Asian Language Working Group? I understand the members of that group made hotel and flight arrangements through Adventure Travel and that these costs were billed directly to EAC. We did plan for EAC to pay for the travel of the Voting Fraud/Voter Intimidation Working Group (budgeted under Research). Devon will prepare their travel authorizations.

I am trying to recruit one other Republican attorney, Patrick Rogers, Modrall, Sperling, Roehl, Harris and Sisk, NM, who was recommended by our Republican consultant. He would replace an original member who is no longer available.

I know that Barbara has associated at conferences and in legislative efforts with Wade Henderson, Leadership Conference on Civil Rights. Diana:

The following members of the Working Group for our Voting Fraud/Voter Intimidation research project will need to make travel arrangements in order to attend an afternoon meeting of the group on May 18 in Washington, DC:

Mark "Thor" Hearne - St Louis, MO
J.R. Perez - Seguin, TX
The Honorable Todd Rokita - Indianapolis, IN
Kathy Rogers - Atlanta, GA

I may have one additional member from Albuquerque, NM confirmed early next week.

May these people use Adventure Travel to make these arrangements in the same manner as the Asian Language Working Group? I understand the members of that group made hotel and flight arrangements through Adventure Travel and that these costs were billed directly to EAC. We did plan for EAC to pay for the travel of the Voting Fraud/Voter Intimidation Working Group (budgeted under Research). Devon will prepare their travel authorizations.

Subject Re: Working Group-Travel Costs

Peggy:

Please tell the folks there that I am not worried about a perceived breach of contract. This is a completely ridiculous statement considering the contractual requirement that the consultants convene the Working Group and not the Commission and it never specifies where or when this is to take place. All this to say that while the contract does specify a Working Group meeting it does not specify that it must

000136

take place on any particular date or in a particular city. With that said, I have never heard of any federal travel requirements that would result in a loss of money because I decided to drive and not fly. In fact, that is why there is a an amount paid per mile. So I would like to see the federal regulation that forces me to take the least expensive transport and restricts all other ground transport costs to that figure.

As to hotels, based on Tova's research there are no rooms for under the \$350 range per night. If you can find hotels that are less expensive but still carry the kind of bed I need for my back (either pillow top or a number bed) please do.

The issue of [REDACTED] ---today I have not had an update on his condition. But, as I previously stated, if [REDACTED] were to die or have an event while I was in DC, I would have to go to NYC meeting or no meeting.

Finally, neither Tova nor I have been satisfied about Mr. Perez and I have not been told whether Pat Rogers will be coming or one of Tova's people will not be.

In the end, I need to see the travel regulation that I requested above, I would like you to look into hotels for Tova and me that have the kind of bed I need and I would like to know about Perez and Rogers. In the mean time, I should have an update on [REDACTED] by morning. I would also be happy to talk to Julie about the issues involved. I will take you up on your offer to process my travel expenses faster and I do not and never did expect you to get me a travel advance. I worked in international development and know what a headache those are to apply for on the state level.

Peggy:

At this point and unless [REDACTED] dies before May 18, the only way I will go to DC is to drive my car. I will need it in case [REDACTED] dies while I am there. You will need to get approval for the use of my car and the two days it will take me to get there and two days back.

The Commissioners made this an equal bi-partisan issue. I am seen as representing the Republican Party. I now have a responsibility to assure that this ends up bi-partisan. I have been placed in a position of dual obligations---both to the contract and to the Party. I in fact see myself as carrying out what the Commission wanted to the letter---equal bi-partisan representation.

I am looking at the afternoon of 5/18 for the meeting, due to scheduling conflicts of Working Group members. There remain two members from whom we have not yet received confirmations of their schedule (with some, it is like pulling teeth), but right now 5/18 still looks like the best day. We may have to hold the meeting over here to make it easier for Commissioners to drop in.

Monday through Wednesday are taken up with meetings of the Standards Board Executive Committee, the full Standards Board, and the Board of Advisors. Thursday, we have EAC's public meeting. Also, I will lose one of my two consultants in June, so I'm trying to wrap up this project (and get the final report from the consultants) by the end of May.

I will add "DRAFT" to the definition and, yes, the WG will have suggestions. I do plan to send packets to you and Tova containing the same materials being provided to the WG. I haven't sent anything yet because I was hoping to finalize the WG list for inclusion. (Still waiting for a response from Ginsberg.)

Regarding Tova's response, we may want to have a very short meeting after the WG disperses, followed by a teleconference the following Monday afternoon. Tuesday is bad for me because I'll be out of the office attending a series of EAC meetings that begin that day. --- Peggy

This is ok, given the fact that the WG may have suggestions. Will you be sending us the same packets that you are sending the WG? Also, I figure with Tova's response we will need to have a teleconference on the report once I return to Little Rock. We will need to do it that following Monday or Tuesday.

Subject Working Group

Hi, Folks:

Teleconference

Are both of you available for a teleconference next Tuesday afternoon at about 4 PM EST? If this does not work for you, please suggest another date and/or time. I would like to discuss our preparations for the Working Group meeting.

Working Group Members

We have a very good person to fill the slot for the nonpartisan local election official: J.R. Perez, Elections Administrator for Guadalupe County, TX. Attached is his bio. Hope you have no objections to him. He is available on May 18. I have place 2 calls to Pat Rogers office, but have not yet received a reply. Job, if you have any pull with him, you may want to contact him, too.

Travel Arrangements

You should make your own travel arrangements, including hotel. Travel time cannot be billed to the contract, except for hours actually worked on the contract (i.e.; reviewing materials in preparation for the meeting, and the like). Current Federal rates follow:

Maximum Lodging = \$180 per day- does not include hotel taxes (if you cannot get this rate, we have covered reasonable rates that are a little higher)

Meals & Incidentals = \$64 per day (except that it is \$48 on the first and last day of travel)

000150

Mileage for Personally Owned Vehicle = \$.445 per mile

Under the new contract, I do not have to fill out a travel authorization for you. I can approve your trip via email. Afterwards, when you turn in your next pay voucher, you can attach the airline receipt (or mileage documentation), hotel receipt(s), and ground transportation receipts and a copy of any printed itineraries. Calculate the total travel expenses due you, including applicable per diem. I do not need meal receipts.

Job, under Federal travel regulations, deviations for personal reasons are not normally accommodated. What you can do, however, is to give me a comparison of the cost of roundtrip mileage, hotel, and per diem of doing it your way against the cost of a roundtrip flight, ground transportation, hotel, and per diem. If your way costs less, it should be no problem to cover the full cost. If your way is more expensive, we may only pay up to the amount of traditional travel. (The same rules apply to me when I travel.) If you can tell me where, other than DC, you will spend the night, I can check on applicable per diem rates.

Subject: Working Group

Hi, Folks:

000154

Teleconference

Are both of you available for a teleconference next Tuesday afternoon at about 4 PM EST? If this does not work for you, please suggest another date and/or time. I would like to discuss our preparations for the Working Group meeting.

Working Group Members

We have a very good person to fill the slot for the nonpartisan local election official: J.R. Perez, Elections Administrator for Guadalupe County, TX. Attached is his bio. Hope you have no objections to him. He is available on May 18. I have place 2 calls to Pat Rogers office, but have not yet received a reply. Job, if you have any pull with him, you may want to contact him, too.

Travel Arrangements

You should make your own travel arrangements, including hotel. Travel time cannot be billed to the contract, except for hours actually worked on the contract (i.e.; reviewing materials in preparation for the meeting, and the like). Current Federal rates follow:

Maximum Lodging = \$180 per day- does not include hotel taxes (if you cannot get this rate, we have covered reasonable rates that are a little higher)

Meals & Incidentals = \$64 per day (except that it is \$48 on the first and last day of travel)

Mileage for Personally Owned Vehicle = \$.445 per mile

Under the new contract, I do not have to fill out a travel authorization for you. I can approve your trip via email. Afterwards, when you turn in your next pay voucher, you can attach the airline receipt (or mileage documentation), hotel receipt(s), and ground transportation receipts and a copy of any printed itineraries. Calculate the total travel expenses due you, including applicable per diem. I do not need meal receipts.

Job, under Federal travel regulations, deviations for personal reasons are not normally accommodated. What you can do, however, is to give me a comparison of the cost of roundtrip mileage, hotel, and per diem of doing it your way against the cost of a roundtrip flight, ground transportation, hotel, and per diem. If your way costs less, it should be no problem to cover the full cost. If your way is more expensive, we may only pay up to the amount of traditional travel. (The same rules apply to me when I travel.) If you can tell me where, other than DC, you will spend the night, I can check on applicable per diem rates.

Peggy,

I spoke to the people who usually handle the EAC court reporting. They charge \$9.00 per page with an average of 40 pages per hour. This service would cost about \$1800.00.

The turn around time for the transcript is 10 to 15 days. The transcripts comes in a bound paper copy and an electronic copy.

I can also check around for different prices.

This meeting is being held to obtain input from our eight-member Working Group for the project. The group is composed of election lawyers, election officials, and a representative of an advocacy group, all of whom have an interest and some expertise in the identification and/or prosecution of voting fraud and voter intimidation. The group was chosen so that we would have an equal number of folks on each side of the political spectrum, plus some nonpartisan members.

After our consultants review the results of their preliminary research (interviews, literature review, case law), we will ask the Working Group to brainstorm possible next steps for EAC. Our consultants will write a report summarizing the proposals that come out of this meeting. The report will go to the Commissioners, who will decide what they want to do, funds available, and what priority to assigned to the effort(s).

Your participation in this part of the process is extremely important, so I am very happy that you can find time for us that afternoon. I'll get an agenda and other information to you next week. --- Peggy

Would you please take a look at the attached? I combined both of your definitions, reformatted the list, removed a reference to the fraud having to have an actual impact on the election results (because fraud can be prosecuted without proving that it actually changed the results of the election), and taken out a couple of vague examples (e.g.; reference to failing to enforce state laws --- because there may be legitimate reasons for not doing so).

The draft voucher looks fine except for two things (one of them is our fault):

- (1) it appears that you worked 11 days, rather than 10, during the first two weeks; and

Donsanto lists four types of election fraud: schemes to purposely and corruptly register voters who either do not exist, or who are known by the putative defendant to be ineligible to vote under applicable state law; schemes to cast, record or fraudulently tabulate votes for voters who do not participate in the voting act at all; schemes to corrupt the voting act of voters who do participate in the voting act to a limited extent; and, schemes to knowingly prevent voters qualified voters from voting.

Peggy:

I would like to get this travel issue sorted out between us before the call at 4pm. While the hotel problem is applicable to both Tova and me, the ground travel is not. In any case, I will want to read the federal regulation on this before we speak. Please either send me the regulation that states I must travel by the least expensive means and that all alternative travel cost can not exceed this or give me the site.

Thanks,

Job:

I'm afraid I don't have time to look up the Federal travel regulation. I can refer to GSA Form 87, which is the Federal travel authorization form that is based on the travel regulations. There are two questions on this form that would apply to your situation:

- Question 14 asks, "Is the employee making any deviations from the authorized itinerary for personal convenience, taking any annual leave or using a different mode of transportation for personal convenience?"

000173

- Question 17A asks, " Will POV be used for any travel between itinerary points? (If "Yes", check one box below and complete item 17B.)" This is followed by one check box with a statement, "Use of POV is advantageous to the government" and another check box that states, "Use of POV is not advantageous to the government. Use of POV has been determined to be for personal convenience and reimbursement limited to constructive cost of common carrier."

Line 17 B is used to note mileage rate. These provisions apply to our Commissioners, our staff, and our consultants. I understand that everyone has to make allowances for emergencies, but your emergency has not yet arrived, and may well arrive after the May 18 meeting. Furthermore, personal emergencies are considered personal matters. The government does not reimburse us for additional travel costs resulting from our need to address personal matters.

Because you are not a Federal employee and we recognize that airlines do not and hotels may not offer you government rate, we can reimburse the higher hotel rate so long as your total travel costs under the current contract do not exceed the total amount budgeted for travel reimbursement for this contract (\$3,500).

Regarding the Working Group meeting, I am pleased that you recognize that convening the Working Group is a deliverable. You also should recall that the only reason Commission staff is involved in helping to set up this meeting is that you and Tova told me that the two of you did not have the resources to do it and that it would be better to have one central coordinator (i.e.; EAC). We have repeatedly talked about holding the meeting in DC because so many of our working group members are here and because we can support the meeting at EAC offices and stay within the EAC budget.

The date for the original Working Group meeting was presented by you and Tova to me in your work plan. As you know, many of the dates in the plan had to slide because the two of you indicated that you needed more time to complete the preliminary research to be presented at the meeting. Beginning in April, our teleconferences honed in on possible weeks for the meeting. May 18 is the only day all but Norcross could attend. Norcross was available only 2 days out of the three weeks we were considering. We are attempting to fill his slot with the person you recommended, Pat Rogers.

We can discuss any remaining concerns you have regarding the participation of Perez and of Pat Rogers during this afternoon's teleconference. --- Peggy

Hello Peg!

God willing, I will be here the first two weeks of May.

As for your second question, it is not possible for me to assess the level of public attribution that would be appropriate without seeing the substantive stuff in context. I do not foresee a problem. So, I recommend that you get me a draft text and I will review it to ensure we are not disclosing things we shouldn't disclose.

Craig:

I have 2 issues for you today.

First, I am trying to schedule a meeting of the project working group for EAC's Voting Fraud-Voter Intimidation research project. As a technical advisor on this project, your attendance is particularly important to me. Would you please look at your schedule and let me know if there are any days during the first 2 weeks of May that you would NOT be available?

Second, is it OK for our consultants to refer in their report to guidance provided in the DOJ training materials? I ask this because I understood that some materials in the materials are considered confidential and we do not want to violate your confidentiality provisions. If there is a compromise position, such as having you review that portion of the consultants' report, then let me know.

Thanks!

Subject Re: Working Group-Travel Costs

Peggy:

Please tell the folks there that I am not worried about a perceived breach of contract. This is a completely ridiculous statement considering the contractual requirement that the consultants convene

000177

the Working Group and not the Commission and it never specifies where or when this is to take place. All this to say that while the contract does specify a Working Group meeting it does not specify that it must take place on any particular date or in a particular city. With that said, I have never heard of any federal travel requirements that would result in a loss of money because I decided to drive and not fly. In fact, that is why there is a an amount paid per mile. So I would like to see the federal regulation that forces me to take the least expensive transport and restricts all other ground transport costs to that figure.

As to hotels, based on Tova's research there are no rooms for under the \$350 range per night. If you can find hotels that are less expensive but still carry the kind of bed I need for my back (either pillow top or a number bed) please do.

The issue of my uncle---today I have not had an update on his condition. But, as I previously stated, if he were to die or have an event while I was in DC, I would have to go to NYC meeting or no meeting.

Finally, neither Tova nor I have been satisfied about Mr. Perez and I have not been told whether Pat Rogers will be coming or one of Tova's people will not be.

In the end, I need to see the travel regulation that I requested above, I would like you to look into hotels for Tova and me that have the kind of bed I need and I would like to know about Perez and Rogers. In the mean time, I should have an update on my uncle by morning. I would also be happy to talk to Julie about the issues involved. I will take you up on your offer to process my travel expenses faster and I do not and never did expect you to get me a travel advance. I worked in international development and know what a headache those are to apply for on the state level.

A possible hotel suggestion for Job might be the Sheraton College Park in Beltsville, MD. They have room availability for the nights of the 17th and the 18th for \$159.00 a night.

They have what is called the Sheraton Sweet Sleeper Bed. More information at:

This hotel is a little out of the way but the members of the Asian Language Working Group and others have stayed there. The hotel does offer a shuttle to and from Reagan airport and the metro.

Yes, I have spoken to her assistant several times but today has been the first time that I have ever spoken to her assistant. We did get the information that we needed. Thanks for your help!

Thanks. We are still trying to get through to Bauer and Arnwine. They have not responded, so their availability is not yet reflected on our spreadsheet. --- Peggy

Hi Peg,

Attached, to add to the collection, is a summary overview of the interviews. Do you have that spreadsheet you were telling me about reflecting the times WG participants are available? If so, maybe we can talk soon? Thanks. Tova

Rokita is available --- so the afternoon of May 18 it is. I will not disinvite anyone. I am trying to get Job's next choice (Pat Rogers) as a replacement for Norcross.

Monday appears to be out for a teleconference because Job will be unavailable that afternoon and I am scheduled for something else that morning. I'll check my schedule tomorrow and send a message to you and Job regarding other possible days and times. --- Peggy

Hi Peg,

Just wondering if you had any word from Rokita. Also, I wanted to let you know that I think disinviting members of the working group would be a very unwise and frankly embarrassing way of dealing with the problem of getting 100% attendance. I'm sure we'll talk before any decisions are made. As I said, I'm free on Monday. Thanks. Tova

I would give him until Monday morning but I would also call Braden today and tell him there may be an opening for him on the WG and find out whether he is free.

Subject Re: new working group representative 

According to the Commissioners, you and Tova each got to pick three members of the Working Group. The Commission guidance regarding this particular member follows:

4 people from the Academic, Legal and Advocacy sectors - 2 to be chosen by Tova and 2 to be chosen by Job.

This issue of allowing a designee relates to Tova's pick.

As I understand it, we are working on a replacement for Norcross. If Ginsberg is not viable, how about Mark Braden, who includes public integrity in his areas of specialization. I would not try and stir up other members of the Working Group, if I were you. The effort is likely to come back and bite you.

I really don't care if he represents the organization or not. What mixed race? The entire discussion was because Arnwine was African-American. If you are going to invite him without first having a replacement for my side, I may have to call Thor and Todd and discuss all of this.

Tom:

I understand that EAC hired a court reporter for the Asian Language Working Group meeting. I would like to do the same for the May 18 Voting Fraud-Voter Intimidation Working Group meeting, but I did not include funds in my budget for this service. Do we have funds that could be used for this purpose? (See Devon's cost estimate below.) --- Peggy

Peggy,

I spoke to the people who usually handle the EAC court reporting. They charge \$9.00 per page with an average of 40 pages per hour. This service would cost about \$1800.00.

The turn around time for the transcript is 10 to 15 days. The transcripts comes in a bound paper copy and an electronic copy.

I can also check around for different prices.
