Can you send it over? As I recall, it includes bios, right? I'm assuming on the interviewees you think we should have very short biographical information? Also, Peg, I'm not sure if I'll still be at work at 7 or home. Is it ok if I email you late in the day as to where I am? My home phone (for only two more weeks!) is 212-362-5223. Thanks.

appendices attached, except Peg I think you put together the list of the working group members? In any case, I can't find one at the moment, but it would be easy enough to put together. Perhaps even Devon or someone could do that, especially since I don't think I have any hours left, and probably shouldn't even be writing this email. I don't remember the conversation about adding to the list of interviewees, but we can talk about that later.

Hi Peg,

Attached please find **drafts** of the sections for the final report. Job, **please** double check I'm not missing anything or sent the wrong version of anything. I'm very concerned I may have. Is there a summary of the case review that I should have? Also, as we discussed, the attached does not include all of the individual summaries and charts which we already gave you for the working group and which have not changed. Peg, we'll want to see the complete set of the materials you plan to give to the commissioners, et.al., before you do so. If you could both let me know if all the formatting is OK, that would be great too. Thanks so much and look forward to talking to you at 7 EST.

Hi, Folks:

Teleconference

Are both of you available for a teleconference next Tuesday afternoon at about 4 PM EST? If this does not work for you, please suggest another date and/or time. I would like to discuss our preparations for the Working Group meeting.

Working Group Members

We have a very good person to fill the slot for the nonpartisan local election official: J.R. Perez, Elections Administrator for Guadalupe County, TX. Attached is his bio. Hope you have no objections to him. He is available on May 18. I have place 2 calls to Pat Rogers office, but have not yet received a reply. Job, if you have any pull with him, you may want to contact him, too.

Travel Arrangements

You should make your own travel arrangements, including hotel. Travel time cannot be billed to the contract, except for hours actually worked on the contract (i.e.; reviewing materials in preparation for the meeting, and the like). Current Federal rates follow:

Maximum Lodging = \$180 per day- does not include hotel taxes (if you cannot get this rate, we have covered reasonable rates that are a little higher)

Meals & Incidentals = \$64 per day (except that it is \$48 on the first and last day of travel)

004272

Mileage for Personally Owned Vehicle = \$.445 per mile

Under the new contract, I do not have to fill out a travel authorization for you. I can approve your trip via email. Afterwards, when you turn in your next pay voucher, you can attach the airline receipt (or mileage documentation), hotel receipt(s), and ground transportation receipts and a copy of any printed itineraries. Calculate the total travel expenses due you, including applicable per diem. I do not need meal receipts.

Job, under Federal travel regulations, deviations for personal reasons are not normally accommodated. What you can do, however, is to give me a comparison of the cost of roundtrip mileage, hotel, and per diem of doing it your way against the cost of a roundtrip flight, ground transportation, hotel, and per diem. If your way costs less, it should be no problem to cover the full cost. If your way is more expensive, we may only pay up to the amount of traditional travel. (The same rules apply to me when I travel.) If you can tell me where, other than DC, you will spend the night, I can check on applicable per diem rates.

Peggy

Craig:

This meeting is being held to obtain input from our eight-member Working Group for the project. The group is composed of election lawyers, election officials, and a representative of an advocacy group, all of whom have an interest and some expertise in the identification and/or prosecution of voting fraud and voter intimidation. The group was chosen so that we would have an equal number of folks on each side of the political spectrum, plus some nonpartisan members.

After our consultants review the results of their preliminary research (interviews, literature review, case law), we will ask the Working Group to brainstorm possible next steps for EAC. Our consultants will write a report summarizing the proposals that come out of this meeting. The report will go to the Commissioners, who will decide what they want to do, funds available, and what priority to assigned to the effort(s).

Your participation in this part of the process is extremely important, so I am very happy that you can find time for us that afternoon. I'll get an agenda and other information to you next week. --- Peggy

We have the same set-up here in Arkansas. We hired a person just like Perez. However, given this, I would still like to know if he has a party affiliation and this brings up another issue. How is the county election commission chosen. In Arkansas it is the

004270

Chairmen of the Republican and Democrat Parties or if he/she does not want to serve a person is elected in his/her stead and a third member picked by the party with the most constitutional officers. Practically that has meant that the Democrats have controlled election commissions in Arkansas since the end of Reconstruction. This is why I want to know the situation in Texas.

Diana:

The following members of the Working Group for our Voting Fraud/Voter Intimidation research project will need to make travel arrangements in order to attend an afternoon meeting of the group on May 18 in Washington, DC:

Mark "Thor" Hearne - St Louis, MO
J.R. Perez - Seguin, TX
The Honorable Todd Rokita - Indianapolis, IN
Kathy Rogers - Atlanta, GA

I may have one additional member from Albuquerque, NM confirmed early next week.

May these people use Adventure Travel to make these arrangements in the same manner as the Asian Language Working Group? I understand the members of that group made hotel and flight arrangements through Adventure Travel and that these costs were billed directly to EAC. We did plan for EAC to pay for the travel of the Voting Fraud/Voter Intimidation Working Group (budgeted under Research). Devon will prepare their travel authorizations.

The non-election officials on the Working Group currently include:

- Barry Weinberg, whom you know
- Barbara Arnwine, Lawyers Committee for Civil Rights Under Law (organization associated with the Voting Rights Project and Election Protection)
- Bob Bauer, Perkins Coie, DC (Democrat attorney)
- Mark "Thor" Hearne, Lathrop & Gage, St Louis, MO (Republican attorney)

I am trying to recruit one other Republican attorney, Patrick Rogers, Modrall, Sperling, Roehl, Harris and Sisk, NM, who was recommended by our Republican consultant. He would replace an original member who is no longer available.

I know that Barbara has associated at conferences and in legislative efforts with Wade Henderson, Leadership Conference on Civil Rights. Also, the Lawyers Committee for Civil Rights is listed as one of many members of the Executive Committee for the Leadership Conference on Civil Rights (see http://www.civilrights.org/about/lccr/executive_commitee.html).

This meeting is being held to obtain input from our eight-member Working Group for the project. The group is composed of election lawyers, election officials, and a representative of an advocacy group, all of whom have an interest and some expertise in the identification and/or prosecution of voting fraud and voter intimidation. The group was chosen so that we would have an equal number of folks on each side of the political spectrum, plus some nonpartisan members.

After our consultants review the results of their preliminary research (interviews, literature review, case law), we will ask the Working Group to brainstorm possible next steps for EAC. Our consultants will write a report summarizing the proposals that come out of this meeting. The report will go to the Commissioners, who will decide what they want to do, funds available, and what priority to assigned to the effort(s).

Your participation in this part of the process is extremely important, so I am very happy that you can find time for us that afternoon. I'll get an agenda and other information to you next week. --- Peggy

Subject Re: Working Group-Travel Costs

Peggy:

Please tell the folks there that I am not worried about a perceived breach of contract. This is a completely ridiculous statement considering the contractual requirement that the consultants convene the Working Group and not the Commission and it never specifies where or when this is to take place. All this to say that while the contract does specify a Working Group meeting it does not specify that it must

004290

take place on any particular date or in a particular city. With that said, I have never heard of any federal travel requirements that would result in a loss of money because I decided to drive and not fly. In fact, that is why there is a an amount paid per mile. So I would like to see the federal regulation that forces me to take the least expensive transport and restricts all other ground transport costs to that figure.

As to hotels, based on Tova's research there are no rooms for under the \$350 range per night. If you can find hotels that are less expensive but still carry the kind of bed I need for my back (either pillow top or a number bed) please do.

The issue of my uncle---today I have not had an update on his condition. But, as I previously stated, if he were to die or have an event while I was in DC, I would have to go to NYC meeting or no meeting.

Finally, neither Tova nor I have been satisfied about Mr. Perez and I have not been told whether Pat Rogers will be coming or one of Tova's people will not be.

In the end, I need to see the travel regulation that I requested above, I would like you to look into hotels for Tova and me that have the kind of bed I need and I would like to know about Perez and Rogers. In the mean time, I should have an update on my uncle by morning. I would also be happy to talk to Julie about the issues involved. I will take you up on your offer to process my travel expenses faster and I do not and never did expect you to get me a travel advance. I worked in international development and know what a headache those are to apply for on the state level.

Peggy:

At this point and unless my uncle dies before May 18, the only way I will go to DC is to drive my car. I will need it in case my uncle dies while I am there. You will need to get approval for the use of my car and the two days it will take me to get there and two days back.

The Commissioners made this an equal bi-partisan issue. I am seen as representing the Republican Party. I now have a responsibility to assure that this ends up bi-partisan. I have been placed in a position of dual obligations---both to the contract and to the Party. I in fact see myself as carrying out what the Commission wanted to the letter---equal bi-partisan representation.

Subject Voting Fraud-Voter Intimidation Teleconference 4-19-06

Hi, Sarah:

Thank you for agreeing to be interviewed on Wednesday, April 19, by the consultants for EAC's initial research on voting fraud and voter intimidation, Job Serebrov and Tova Wang. Our consultants are conducting interviews as part of preliminary research to determine how EAC may best meet the requirements of Section 241(b)6 and 7 of the Help America Vote Act of 2002. As you may recall, Section 241 requires EAC to conduct research on election administration issues, including the development of:

- nationwide statistics and methods of identifying, deterring, and investigating voting fraud in elections for Federal office; and
- methods of identifying, deterring, and investigating methods of voter intimidation.

This is what I need you (and the Secretary, if he is available) to do:

- At approximately 11 AM EST on April 19, call 1-866-222-9044.
- At the prompt for the pass code, enter 62209.

00429

Tova and Job will join you on the line. We have arranged for the line to be open for an hour, with 10 minutes extra on the front end (for folks who have not synchronized their watches).

You mentioned that Secretary Grayson may be using a cell phone. Our teleconference provider has given us the following information regarding the use of cell phones during the teleconference:

- Signals are often in and out and the audio bridging equipment cannot compensate fast enough by adjusting the signal. This affects all participants connected. If participants must use a cell phone – they **should be stationary in a location where they can pick up the other participants**, moving while using a cell phone causes the signal to go in and out and often will pick up extraneous electrical signals that will cause heavy static on the call.
- The **cell phone should be well charged and muted, if possible, until the individual is ready to speak.**
- **If there is a problem**, anybody who dials into a conference can **contact the operator/technicians by simply pressing *0 (star zero)**. This information is part of the recording when individuals are dialing in.

If you have any problems accessing the teleconference, please call Edgardo Cortés. You can reach him at 1-866-747-1471 (toll-free) or 202-566-3126. He can contact our service provider to correct any problems. (I will be on my way to Seattle and unable to help.)

Thanks, again!

Subject Voting Fraud-Voter Intimidation Teleconference 4-19-06

Hi, Sarah:

Thank you for agreeing to be interviewed on Wednesday, April 19, by the consultants for EAC's initial research on voting fraud and voter intimidation, Job Serebrov and Tova Wang. Our consultants are conducting interviews as part of preliminary research to determine how EAC may best meet the requirements of Section 241(b)6 and 7 of the Help America Vote Act of 2002. As you may recall, Section 241 requires EAC to conduct research on election administration issues, including the development of:

- nationwide statistics and methods of identifying, deterring, and investigating voting fraud in elections for Federal office; and
- methods of identifying, deterring, and investigating methods of voter intimidation.

This is what I need you (and the Secretary, if he is available) to do:

- At approximately 11 AM EST on April 19, call 1-866-222-9044.
- At the prompt for the pass code, enter 62209.

Tova and Job will join you on the line. We have arranged for the line to be open for an hour, with 10 minutes extra on the front end (for folks who have not synchronized their watches).

You mentioned that Secretary Grayson may be using a cell phone. Our teleconference provider has given us the following information regarding the use of cell phones during the teleconference:

Subject donsanto interview

Hi Peg,

Job and I have discussed this matter and agree on our response to it.

Presumably the paragraph you are concerned about is the following:

Since 2002, the department has brought more cases against alien voters, felon voters, and double voters than ever before. Previously, cases were only brought when there was a pattern or scheme to corrupt the process. Charges were not brought against individuals – those cases went un-prosecuted. This change in direction, focus, and level of aggression was by the decision of the Attorney General. The reason for the change was for deterrence purposes.

Neither of us thinks this passage says that the Department has stopped pursuing patterns, as you suggested, and we maintain that this is what Mr. Donsanto said to us in the interview. If Mr. Donsanto wants to object, perhaps he can write a letter or something to that effect that could be part of the record.

Subject Re: donsanto interview 

Tova and Job:

All I can do is advise you that I don't think this paragraph will pass by the Commission, as written, because readers can misinterpret what is being reported and use something published by EAC against DOJ. I suspect that both of you are aware of legal action being taken by an advocacy group against DOJ alleging that the agency is acting in a manner that fails to protect, and even discourages, the voter participation of minorities and disadvantaged individuals. Though I do not intend to address the merits of that action, which focuses on the efforts of more than one DOJ office, I am concerned that some readers would use the sentence that begins with "This change in direction, focus, and level of aggression ..." as evidence that DOJ's Election Crimes Branch has completely changed course to focus on aggressively pursuing individuals who vote when ineligible, many of whom are minorities.

It is true that, for years, the Election Crimes Branch did not pursue individual violators. (I certainly observed this from the time I became involved in researching election administration matters in 1986.) Much of the reason for this is that the agency just did not have the resources to pursue everything; so, as the agency budget permitted, DOJ pursued cases that provided the most bang for the buck --- cases involving multiple individuals that were not already being pursued by State or local public attorneys. As you know, DOJ recently expanded its efforts and added the prosecution of individuals for double voting or voting when ineligible (felony convictions or no U.S. citizenship). Although I did not know of this decision prior to the interview, the action is not a complete surprise, given the increasing pressure on the agency to pursue such cases that began with a real squeaker of a 1996 race in California's 46th CD (Orange County). In the interview with you, Donsanto also stated that the department evaluates each case before pursuing it, and does not pursue every individual referred for voting violations. (You may remember he noted his reluctance to pursue noncitizen voting, which can result in deportation, when it could separate the individual from his family.)

In my opinion, the addition of the prosecution of individuals, while an important new development, is not a complete change in direction or focus. The pursuit of individual violators does not supplant DOJ's continuing efforts to pursue organized schemes to corrupt the process. It is part of a recent expansion of the agency's efforts to combat election crime that includes: (1) more aggressive pursuit of criminal campaign finance violations (not covered by EAC's study); (2) exploration of new avenues to prosecute voter suppression schemes (e.g., the NH phone bank blocking case); (3) better training of U.S. attorneys and FBI agents in the recognition, investigation and prosecution of election offenses; (4) efforts to improve

00431

coordination with state and local law enforcement agencies; and (5) press conferences and public announcements before federal elections to publicize how the public can report election crimes. Donsanto provided information on much of these efforts either during the interview or by supplying case lists and training information on the day of the interview.

I hope you will reconsider revising the paragraph at issue.

We'll have to guesstimate. It is likely that we will receive some comments and questions from the Commissioners and a number of comments from the boards. We could do the modification a little later, but we have to do it before the end of August to take advantage of year-end funds. Basically, the sooner we can figure this out, the better chance we have of using some of the year-end money for this project, before it is taken for something else. We have no guaranties that funds will be available in the next fiscal year. --- Peggy

In order to help Tom determine how many additional hours (and dollars) should be added to your personal services contracts, I'll need an estimate from the two of you for the number of additional hours required to complete the final report (taking into account revisions that may be needed to address questions and comments submitted by the Commissioners and the EAC Standards Board and Board of Advisors). We'll have to guesstimate. It is likely that we will receive some comments and questions from the Commissioners and a number of comments from the boards. We could do the modification a little later, but we have to do it before the end of August to take advantage of year-end funds. Basically, the sooner we can figure this out, the better chance we have of using some of the year-end money for this project, before it is taken for something else. We have no guaranties that funds will be available in the next fiscal year. --- Peggy

I don't have the authority to modify contracts, but Tom Wilkey does. In order to help Tom determine how many additional hours (and dollars) should be added to your personal services contracts, I'll need an estimate from the two of you for the number of additional hours required to complete the final report (taking into account revisions that may be needed to address questions and comments submitted by the Commissioners and the EAC Standards Board and Board of Advisors). Hi, Folks:

Teleconference

Are both of you available for a teleconference next Tuesday afternoon at about 4 PM EST? If this does not work for you, please suggest another date and/or time. I would like to discuss our preparations for the Working Group meeting.

Working Group Members

We have a very good person to fill the slot for the nonpartisan local election official: J.R. Perez, Elections Administrator for Guadalupe County, TX. Attached is his bio. Hope you have no objections to him. He is available on May 18. I have place 2 calls to Pat Rogers office, but have not yet received a reply. Job, if you have any pull with him, you may want to contact him, too.

Travel Arrangements

You should make your own travel arrangements, including hotel. Travel time cannot be billed to the contract, except for hours actually worked on the contract (i.e.; reviewing materials in preparation for the meeting, and the like). Current Federal rates follow:

Maximum Lodging = \$180 per day- does not include hotel taxes (if you cannot get this rate, we have covered reasonable rates that are a little higher)

Meals & Incidentals = \$64 per day (except that it is \$48 on the first and last day of travel)

00433

Mileage for Personally Owned Vehicle = \$.445 per mile

Under the new contract, I do not have to fill out a travel authorization for you. I can approve your trip via email. Afterwards, when you turn in your next pay voucher, you can attach the airline receipt (or mileage documentation), hotel receipt(s), and ground transportation receipts and a copy of any printed itineraries. Calculate the total travel expenses due you, including applicable per diem. I do not need meal receipts.

Job, under Federal travel regulations, deviations for personal reasons are not normally accommodated. What you can do, however, is to give me a comparison of the cost of roundtrip mileage, hotel, and per diem of doing it your way against the cost of a roundtrip flight, ground transportation, hotel, and per diem. If your way costs less, it should be no problem to cover the full cost. If your way is more expensive, we may only pay up to the amount of traditional travel. (The same rules apply to me when I travel.) If you can tell me where, other than DC, you will spend the night, I can check on applicable per diem rates.

Peggy,

I spoke to the people who usually handle the EAC court reporting. They charge \$9.00 per page with an average of 40 pages per hour. This service would cost about \$1800.00.

The turn around time for the transcript is 10 to 15 days. The transcripts comes in a bound paper copy and an electronic copy.

I can also check around for different prices.

We also will have to print name tags and place cards. If you are a good note-taker, we also will need people to take turns taking notes at the meeting. --- Peggy

Craig:

This meeting is being held to obtain input from our eight-member Working Group for the project. The group is composed of election lawyers, election officials, and a representative of an advocacy group, all of whom have an interest and some expertise in the identification and/or prosecution of voting fraud and voter intimidation. The group was chosen so that we would have an equal number of folks on each side of the political spectrum, plus some nonpartisan members.

After our consultants review the results of their preliminary research (interviews, literature review, case law), we will ask the Working Group to brainstorm possible next steps for EAC. Our consultants will write a report summarizing the proposals that come out of this meeting. The report will go to the Commissioners, who will decide what they want to do, funds available, and what priority to assigned to the effort(s).

Your participation in this part of the process is extremely important, so I am very happy that you can find time for us that afternoon. I'll get an agenda and other information to you next week. --- Peggy

I am looking at the afternoon of 5/18 for the meeting, due to scheduling conflicts of Working Group members. There remain two members from whom we have not yet received confirmations of their schedule (with some, it is like pulling teeth), but right now 5/18 still looks like the best day. We may have to hold the meeting over here to make it easier for Commissioners to drop in.

Would you please take a look at the attached? I combined both of your definitions, reformatted the list, removed a reference to the fraud having to have an actual impact on the election results (because fraud can be prosecuted without proving that it actually changed the results of the election), and taken out a couple of vague examples (e.g.; reference to failing to enforce state laws --- because there may be legitimate reasons for not doing so).

I have made contact with Ben Ginsberg's office and am waiting to hear if he accepts our invitation to join the working group. --- Peggy

- (1) it appears that you worked 11 days, rather than 10, during the first two weeks; and

Subject Re: Conference Call 📎

Job:

I'm afraid I don't have time to look up the Federal travel regulation. I can refer to GSA Form 87, which is the Federal travel authorization form that is based on the travel regulations. There are two questions on this form that would apply to your situation:

- Question 14 asks, "Is the employee making any deviations from the authorized itinerary for personal convenience, taking any annual leave or using a different mode of transportation for personal convenience?"

- Question 17A asks, " Will POV be used for any travel between itinerary points? (If "Yes", check one box below and complete item 17B.)" This is followed by one check box with a statement, "Use of POV is advantageous to the government" and another check box that states, "Use of POV is not advantageous to the government. Use of POV has been determined to be for personal convenience and reimbursement limited to constructive cost of common carrier."

Line 17 B is used to note mileage rate. These provisions apply to our Commissioners, our staff, and our consultants. I understand that everyone has to make allowances for emergencies, but your emergency has not yet arrived, and may well arrive after the May 18 meeting. Furthermore, personal emergencies are considered personal matters. The government does not reimburse us for additional travel costs resulting from our need to address personal matters.

Because you are not a Federal employee and we recognize that airlines do not and hotels may not offer you government rate, we can reimburse the higher hotel rate so long as your total travel costs under the current contract do not exceed the total amount budgeted for travel reimbursement for this contract (\$3,500).

Regarding the Working Group meeting, I am pleased that you recognize that convening the Working Group is a deliverable. You also should recall that the only reason Commission staff is involved in helping to set up this meeting is that you and Tova told me that the two of you did not have the resources to do it and that it would be better to have one central coordinator (i.e.; EAC). We have repeatedly talked about holding the meeting in DC because so many of our working group members are here and because we can support the meeting at EAC offices and stay within the EAC budget.

The date for the original Working Group meeting was presented by you and Tova to me in your work plan. As you know, many of the dates in the plan had to slide because the two of you indicated that you needed more time to complete the preliminary research to be presented at the meeting. Beginning in April, our teleconferences honed in on possible weeks for the meeting. May 18 is the only day all but Norcross could attend. Norcross was available only 2 days out of the three weeks we were considering. We are attempting to fill his slot with the person you recommended, Pat Rogers.

We can discuss any remaining concerns you have regarding the participation of Perez and of Pat Rogers during this afternoon's teleconference. --- Peggy

Subject Conference Call

Peggy:

I would like to get this travel issue sorted out between us before the call at 4pm. While the hotel problem is applicable to both Tova and me, the ground travel is not. In any case, I will want to read the federal regulation on this before we speak. Please either send me the regulation that states I must travel by the least expensive means and that all
