Subject Travel Reimbursement for Job Sebrevov

Peggy,

Regarding his travel for the EAC's May 18 meeting, I would concur with you that we should reimburse Mr. Serebrov in the amount of \$1200.03 for travel related expenses (hotel/mileage/per diem). Since there is a \$577.95 dollar difference in cost (travel via air vs travel via POV), I believe the \$1200.03 is more economically advantageous to the Agency. Attached is your drafted memo.

Let me try to do it, Peg. Again what I do not want to see occur is for the LCCR to start attacking us. We have more in common with them than I had originally assumed, thanks to the write-ups of their interviews. We need to promote what we have in common not try to score political points. But I will try to correct the records as long as you will agree you heard what I said the way I know I said it!

Subject: RE: Your Materials

The first item is not as big a deal as the second one: the processes under which subjects of investigations come to Jesus is not as important as the overall assessment of our law enforcement achievements. But stressing the isolated test cases we brought - - and will continue to bring - - to deter things like felon voting, alien voting and double voting, which not mentioning such significant achievements as the five case PROJECTS mentioned in my last e-mail - - misrepresents what we are doing and the deterrent message we are trying to communicate.

I appreciate that these two young people may have found themselves in a Brave New World when they came over here. It showed in their questioning. But the fact that criminal law enforcement is not at all similar to preventative legal relief (as under the Voting Rights Act) or civil relief (as election contest litigation) is I guess more of a problem than I at first foresaw. My real concern is that the civil rights groups - - with whom we over here have an amazing amount of common grounds - - will take the singling out of the felon and alien voter cases as evincing a malevolent aggression on their constituencies. That is not the case. We are only enforcing the law.

I think they are panicking because they are preparing to travel tomorrow and may not have time to submit a revised version. They also are resisting changes to their interview summaries because the summaries represent what they think they heard. I was there at the interview and I heard what you said. I'm not sure that either of them heard everything (including the nuances) because so much of the information was new to them and it was one of their earlier interviews. I'm sorry I did not catch the defects before the summary went out.

My first concern is ensuring that the Working Group has the correct information. Then, we can deal with what version, *if any*, goes in the final report. Do you want me to excerpt the corrections from your email and submit them to the Working Group? --- Peggy

Peg --

I have read over the materials you sent to me and viewed the pieces on the CD.

I have only one correction:

I did not say that offenders who receive target letters routinely request -- or routinely receive -- audiences here at DOJHQ. That is very rare. Instead, what usually happens is that once a subject for an election fraud investigation is advised that he or she is going to be charged that person usually enters into plea negotiations and ultimately pleads guilty. Very few federal election fraud cases go to trial. When a subject does request a HQ interview or a HW hearing, it would be held in the first instance by myself. But again, Peg, that is rare.

Also, while the occurrences of prosecutions of isolated instances of felons and alien voters and double voters has increased, we still aggressively and I believe quite successfully pursue systematic schemes to corrupt the electoral process, as the cases we brought recently out of Knott and Pike Counties in Kentucky, those we brought out of Lincoln and Logan Counties in West Virginia, and those we brought in

I think he can just raise these points at the meeting, no? I'm sure many we interviewed would say we misquoted them on something. This is what both Job and I remember him saying. I think it would be unfair for him to change/amend his interview without giving the same opportunity to the other interviewees.

Attached please find **drafts** of the sections for the final report. Job, **please** double check I'm not missing anything or sent the wrong version of anything. I'm very concerned I may have. Is there a summary of the case review that I should have? Also, as we discussed, the attached does not include all of the individual summaries and charts which we already gave you for the working group and which have not changed. Peg, we'll want to see the complete set of the materials you plan to give to the commissioners, et.al., before you do so. If you could both let me know if all the formatting is OK, that would be great too. Thanks so much and look forward to talking to you at 7 EST.

Subject: Working Group

Hi, Folks:

Teleconference

Are both of you available for a teleconference next Tuesday afternoon at about 4 PM EST? If this does not work for you, please suggest another date and/or time. I would like to discuss our preparations for the Working Group meeting.

Working Group Members

We have a very good person to fill the slot for the nonpartisan local election official: J.R. Perez, Elections Administrator for Guadalupe County, TX. Attached is his bio. Hope you have no objections to him. He is available on May 18. I have place 2 calls to Pat Rogers office, but have not yet received a reply. Job, if you have any pull with him, you may want to contact him, too.

Travel Arrangements

You should make your own travel arrangements, including hotel. Travel time cannot be billed to the contract, except for hours actually worked on the contract (i.e.; reviewing materials in preparation for the meeting, and the like). Current Federal rates follow:

Maximum Lodging = \$180 per day- does not include hotel taxes (if you cannot get this rate, we have covered reasonable rates that are a little higher)

Meals & Incidentals = \$64 per day (except that it is \$48 on the first and last day of travel)

003181

Mileage for Personally Owned Vehicle = \$.445 per mile

Under the new contract, I do not have to fill out a travel authorization for you. I can approve your trip via email. Afterwards, when you turn in your next pay voucher, you can attach the airline receipt (or mileage documentation), hotel receipt(s), and ground transportation receipts and a copy of any printed itineraries. Calculate the total travel expenses due you, including applicable per diem. I do not need meal receipts.

Job, under Federal travel regulations, deviations for personal reasons are not normally accommodated. What you can do, however, is to give me a comparison of the cost of roundtrip mileage, hotel, and per diem of doing it your way against the cost of a roundtrip flight, ground transportation, hotel, and per diem. If your way costs less, it should be no problem to cover the full cost. If your way is more expensive, we may only pay up to the amount of traditional travel. (The same rules apply to me when I travel.) If you can tell me where, other than DC, you will spend the night, I can check on applicable per diem rates.

Craig:

This meeting is being held to obtain input from our eight-member Working Group for the project. The group is composed of election lawyers, election officials, and a representative of an advocacy group, all of whom have an interest and some expertise in the identification and/or prosecution of voting fraud and voter intimidation. The group was chosen so that we would have an equal number of folks on each side of the political spectrum, plus some nonpartisan members.

After our consultants review the results of their preliminary research (interviews, literature review, case law), we will ask the Working Group to brainstorm possible next steps for EAC. Our consultants will write a report summarizing the proposals that come out of this meeting. The report will go to the Commissioners, who will decide what they want to do, funds available, and what priority to assigned to the effort(s).

Your participation in this part of the process is extremely important, so I am very happy that you can find time for us that afternoon. I'll get an agenda and other information to you next week. --- Peggy

We have the same set-up here in Arkansas. We hired a person just like Perez. However, given this, I would still like to know if he has a party affiliation and this brings up another issue. How is the county election commission chosen. In Arkansas it is the

003185

Chairmen of the Republican and Democrat Parties or if he/she does not want to serve a person is elected in his/her stead and a third member picked by the party with the most constitutional officers. Practically that has meant that the Democrats have controlled election commissions in Arkansas since the end of Reconstruction. This is why I want to know the situation in Texas.

The following members of the Working Group for our Voting Fraud/Voter Intimidation research project will need to make travel arrangements in order to attend an afternoon meeting of the group on May 18 in Washington, DC:

Mark "Thor" Hearne - St Louis, MO
J.R. Perez - Seguin, TX
The Honorable Todd Rokita - Indianapolis, IN
Kathy Rogers - Atlanta, GA

I may have one additional member from Albuquerque, NM confirmed early next week.

May these people use Adventure Travel to make these arrangements in the same manner as the Asian Language Working Group? I understand the members of that group made hotel and flight arrangements through Adventure Travel and that these costs were billed directly to EAC. We did plan for EAC to pay for the travel of the Voting Fraud/Voter Intimidation Working Group (budgeted under Research). Devon will prepare their travel authorizations.

The non-election officials on the Working Group currently include:

- Barry Weinberg, whom you know
- Barbara Arnwine, Lawyers Committee for Civil Rights Under Law (organization associated with the Voting Rights Project and Election Protection)
- Bob Bauer, Perkins Coie, DC (Democrat attorney)
- Mark "Thor" Hearne, Lathrop & Gage, St Louis, MO (Republican attorney)

I am trying to recruit one other Republican attorney, Patrick Rogers, Modrall, Sperling, Roehl, Harris and Sisk, NM, who was recommended by our Republican consultant. He would replace an original member who is no longer available.

I know that Barbara has associated at conferences and in legislative efforts with Wade Henderson, Leadership Conference on Civil Rights. Also, the Lawyers Committee for Civil Rights is listed as on of many members of the Executive Committee for the Leadership Conference on Civil Rights (see http://www.civilrights.org/about/lccr/executive_committee.html).

Peggy -- they don't have anything to do with the Leadership Conference on Civil Rights do they?

I ask only because the Justice Department is currently engaged in a very acrimoneous FOIA litigation with LCCR that focuses precisely on our efforts to combat voter "intimidationm"

Craig:

This meeting is being held to obtain input from our eight-member Working Group for the project. The group is composed of election lawyers, election officials, and a representative of an advocacy group, all of whom have an interest and some expertise in the identification and/or prosecution of voting fraud and voter intimidation. The group was chosen so that we would have an equal number of folks on each side of the political spectrum, plus some nonpartisan members.

After our consultants review the results of their preliminary research (interviews, literature review, case law), we will ask the Working Group to brainstorm possible next steps for EAC. Our consultants will write a report summarizing the proposals that come out of this meeting. The report will go to the Commissioners, who will decide what they want to do, funds available, and what priority to assigned to the effort(s).

Your participation in this part of the process is extremely important, so I am very happy that you can find time for us that afternoon. I'll get an agenda and other information to you next week. --- Peggy

Mark "Thor" Hearne - St Louis, MO
J.R. Perez - Seguin, TX
The Honorable Todd Rokita - Indianapolis, IN
Kathy Rogers - Atlanta, GA

I may have one additional member from Albuquerque, NM confirmed early next week.

May these people use Adventure Travel to make these arrangements in the same manner as the Asian Language Working Group? I understand the members of that group made hotel and flight arrangements through Adventure Travel and that these costs were billed directly to EAC. We did plan for EAC to pay for the travel of the Voting Fraud/Voter Intimidation Working Group (budgeted under Research). Devon will prepare their travel authorizations.

Subject Re: Working Group-Travel Costs

Peggy:

Please tell the folks there that I am not worried about a perceived breach of contract. This is a completely ridiculous statement considering the contractual requirement that the consultants convene the Working Group and not the Commission and it never specifies where or when this is to take place. All this to say that while the contract does specify a Working Group meeting it does not specify that it must

003199

take place on any particular date or in a particular city. With that said, I have never heard of any federal travel requirements that would result in a loss of money because I decided to drive and not fly. In fact, that is why there is a an amount paid per mile. So I would like to see the federal regulation that forces me to take the least expensive transport and restricts all other ground transport costs to that figure.

As to hotels, based on Tova's research there are no rooms for under the \$350 range per night. If you can find hotels that are less expensive but still carry the kind of bed I need for my back (either pillow top or a number bed) please do.

The issue of my uncle---today I have not had an update on his condition. But, as I previously stated, if he were to die or have an event while I was in DC, I would have to go to NYC meeting or no meeting.

Finally, neither Tova nor I have been satisfied about Mr. Perez and I have not been told whether Pat Rogers will be coming or one of Tova's people will not be.

In the end, I need to see the travel regulation that I requested above, I would like you to look into hotels for Tova and me that have the kind of bed I need and I would like to know about Perez and Rogers. In the mean time, I should have an update on my uncle by morning. I would also be happy to talk to Julie about the issues involved. I will take you up on your offer to process my travel expenses faster and I do not and never did expect you to get me a travel advance. I worked in international development and know what a headache those are to apply for on the state level.

The Commissioners made this an equal bi-partisan issue. I am seen as representing the Republican Party. I now have a responsibility to assure that this ends up bi-partisan. I have been placed in a position of dual obligations---both to the contract and to the Party. I in fact see myself as carrying out what the Commission wanted to the letter---equal bi-partisan representation.

I haven't sent anything yet because I was hoping to finalize the WG list for inclusion. (Still waiting for a response from Ginsberg.)

Regarding Tova's response, we may want to have a very short meeting after the WG disperses, followed by a teleconference the following Monday afternoon. Tuesday is bad for me because I'll be out of the office attending a series of EAC meetings that begin that day. --- Peggy

This is ok, given the fact that the WG may have suggestions. Will you be sending us the same packets that you are sending the WG? Also, I figure with Tova's response we will need to have a teleconference on the report once I return to Little Rock. We will need to do it that following Monday or Tuesday.

Subject Working Group

Hi, Folks:

Teleconference

Are both of you available for a teleconference next Tuesday afternoon at about 4 PM EST? If this does not work for you, please suggest another date and/or time. I would like to discuss our preparations for the Working Group meeting.

Working Group Members

We have a very good person to fill the slot for the nonpartisan local election official: J.R. Perez, Elections Administrator for Guadalupe County, TX. Attached is his bio. Hope you have no objections to him. He is available on May 18. I have place 2 calls to Pat Rogers office, but have not yet received a reply. Job, if you have any pull with him, you may want to contact him, too.

Travel Arrangements

You should make your own travel arrangements, including hotel. Travel time cannot be billed to the contract, except for hours actually worked on the contract (i.e.; reviewing materials in preparation for the meeting, and the like). Current Federal rates follow:

Maximum Lodging = \$180 per day- does not include hotel taxes (if you cannot get this rate, we have covered reasonable rates that are a little higher)

Meals & Incidentals = \$64 per day (except that it is \$48 on the first and last day of travel)

003213

Mileage for Personally Owned Vehicle = \$.445 per mile

Under the new contract, I do not have to fill out a travel authorization for you. I can approve your trip via email. Afterwards, when you turn in your next pay voucher, you can attach the airline receipt (or mileage documentation), hotel receipt(s), and ground transportation receipts and a copy of any printed itineraries. Calculate the total travel expenses due you, including applicable per diem. I do not need meal receipts.

Job, under Federal travel regulations, deviations for personal reasons are not normally accommodated. What you can do, however, is to give me a comparison of the cost of roundtrip mileage, hotel, and per diem of doing it your way against the cost of a roundtrip flight, ground transportation, hotel, and per diem. If your way costs less, it should be no problem to cover the full cost. If your way is more expensive, we may only pay up to the amount of traditional travel. (The same rules apply to me when I travel.) If you can tell me where, other than DC, you will spend the night, I can check on applicable per diem rates.

Peggy,

I spoke to the people who usually handle the EAC court reporting. They charge \$9.00 per page with an average of 40 pages per hour. This service would cost about \$1800.00.

The turn around time for the transcript is 10 to 15 days. The transcripts comes in a bound paper copy and an electronic copy.

I can also check around for different prices.

This meeting is being held to obtain input from our eight-member Working Group for the project. The group is composed of election lawyers, election officials, and a representative of an advocacy group, all of whom have an interest and some expertise in the identification and/or prosecution of voting fraud and voter intimidation. The group was chosen so that we would have an equal number of folks on each side of the political spectrum, plus some nonpartisan members.

After our consultants review the results of their preliminary research (interviews, literature review, case law), we will ask the Working Group to brainstorm possible next steps for EAC. Our consultants will write a report summarizing the proposals that come out of this meeting. The report will go to the Commissioners, who will decide what they want to do, funds available, and what priority to assigned to the effort(s).

Your participation in this part of the process is extremely important, so I am very happy that you can find time for us that afternoon. I'll get an agenda and other information to you next week. --- Peggy

As for your second question, it is not possible for me to assess the level of public attribution that would be appropriate without seeing the substantive stuff in context. I do not foresee a problem. Unfortunately, I have to get the Working Group together before then, so that my consultants can prepare the final report before June. (In June, I lose one of them to State employment.) In understand about the crammed schedule. This month and next are chock full.

Hello Peg!

God willing, I will be here the first two weeks of May.

As for your second question, it is not possible for me to assess the level of public attribution that would be appropriate without seeing the substantive stuff in context. I do not foresee a problem. So, I recommend that you get me a draft text and I will review it to ensure we are not disclosing things we shouldn't disclose.

Craig:

I have 2 issues for you today.

First, I am trying to schedule a meeting of the project working group for EAC's Voting Fraud-Voter Intimidation research project. As a technical advisor on this project, your attendance is particularly important to me. Would you please look at your schedule and let me know if there are any days during the first 2 weeks of May that you would NOT be available?

Second, is it OK for our consultants to refer in their report to guidance provided in the DOJ training materials? I ask this because I understood that some materials in the materials are considered confidential and we do not want to violate your confidentiality provisions. If there is a compromise position, such as having you review that portion of the consultants' report, then let me know.
