Multiple	In person				DA	1				Yes	Eureka Springs	Arkansas	29-Jun-01	county judge	A special judge rules prosecutors must show the mayor intended to vote twice - he says he got confused when he voted early for a city bond election and the voting clerk offered him a primary ballot at the same time. He then voted in the primary at his precinct on election day.	AP

Dead	Both	Yes		Press						Yes	San Francisco	California	1-Mar-04	mayoral run-off	One of the candidates alleged that 400 people who are dead cast votes. The allegation was based on a computer program that cross-referenced voters and the social security death index using first and last names and date of birth. When the Chronicle also used middle initials and other identifying indicators, the list was whittled to five cases. Some were by absentee but a couple were in person.	San Francisco Chronicle			
Multiple				State								Colorado	25-Mar-05		58 of 64 counties responded to a request by the Secretary of State to report on fraud investigations. Only 13 counties have referred cases to prosecutors. Those cases included 41 instances of citizens voting twice. Denver County officials said they had 81 instances of double voting.	Denver Post			
Multiple	In person	Yes		State					Found Untrue	Yes		Connecticut	22-Oct-02	all	Secretary of State says that RNC allegations that 54 Connecticut voters cast ballots in 2 different states have been investigated and found to be false. 15 voted only in CT, 29 voted only in another state, four names were wrong because they had different birth dates, and three were referred to the FBI and US Attorney because information from the other state could not be obtained. Multiple	Absentee			County					Ballots not counted	Yes	Palm Beach	Florida	5-Dec-02	2002 general	The County State Attorney will be investigating about a dozen people accused of voting twice. Each cast an absentee ballot and voted on Election Day. The Secretary of State says they may have forgotten they voted absentee. They all had to vote by provisional ballots so none of the second votes were counted. This is the first time the Secretary's office has found people who voted twice.	Sun-Sentinel			
Multiple	Absentee								Ballots discarded		Indian River	Florida	2-Nov-04	presidential	One voter returned two absentee ballots - the first one was counted and the second discarded. A woman voted by absentee and then during early voting. Her absentee ballot will be thrown out.	Press Journal (Vero Beach)			
Multiple	Absentee			Press						Yes	Palm Beach	Florida	6-Nov-04	presidential	The Palm Beach Post reports that three voters cast absentee ballots and then filled out provisional ballots on Election Day. Local officials have asked the Attorney General to investigate. The Post reached two of the voters and they said they cast provisional ballots because when they tried to check on their absentee ballots they were unable to confirm they had been received.	Florida Times Union			
Multiple	Both			State						Yes	Volusia	Florida	6-Nov-04	presidential	Volusia officials said Friday they have identified 12 cases of suspected election fraud stemming from Tuesday's presidential election. All involved people trying to vote twice, said County Judge Steven deLaroché, a member of the county canvassing board. In one case, which occurred during early voting, a person was caught trying to feed an absentee ballot into a tabulating machine after casting a traditional ballot, deLaroché said. That person was stopped by a poll worker. In the other 11 cases, people who had voted by absentee ballot or at an early-voting site tried to vote a second time on Election Day, he said. In those cases, election workers discovered the attempts when computers showed those voters had already cast ballots. All the cases will be forwarded to the State Attorney's Office for prosecution. Multiple	Absentee			Federal					Clerical Error		Duval	Florida	31-Jul-05	presidential	Officials said in January that a review of records found more than 50 cases in which the same person had cast an absentee and in person ballot. An FBI investigation found that every one of those instances was due to a clerical error, such as someone signing the voter rolls before they were told they had to vote elsewhere.	AP			
Multiple	In person			County					Ballot discarded		Fulton	Georgia	30-Sep-04	primary	A man who may be facing felony charges for voting twice says he voted during the early period and that when he went to his precinct on election day to make sure that vote had been recorded, he was told it was not. The poll worker told him he should vote again. Fulton County investigated and found no other advance voters had voted again on the day of the election. The registration chief acknowledged the county was late getting names of advance voters to the polls. The advance vote was tossed out after it was discovered.	Atlanta Journal Constitution

Multiple	In person			County							Hancock	Louisiana	3-Nov-04	presidential	A woman called a radio talk show Tuesday and admitted casting fraudulent votes in Hancock County. The woman said she voted once using her own name, but after realizing she was not required to show identification, she waited several hours and returned to the polls and used a friend's name. The county clerks said the incident seems to be isolated and her office has not received evidence of other fraudulent votes elsewhere in the county.	The Sun Herald

Multiple	In person					1				Yes	Minneapolis	Minnesota	23-Feb-05	presidential	A felony charge filed Tuesday in Hennepin County District Court accuses Darin Randall Johnson, 34, of registering to vote and casting ballots in three different places in the November election. The criminal complaint alleges he filled out same-day registration forms and voted once in Brooklyn Park and twice in Minneapolis.	Saint Paul Pioneer Press			
Multiple	In person							1			Kansas City	Missouri	28-Mar-05	various	Man pleads guilty to casting double votes in four elections by voting in both Kansas and Missouri	Kansas City Star			
Multiple				Press		2				Yes	Kansas City	Missouri	September 6, 2004	all	Kansas City Star reports that their investigation shows there may be more than 300 voters voting twice in different counties. The exact number is impossible to determine because many counties have shredded their poll books and state computer files are rife with data errors. In fact, the number may be lower because the state computer files contain many errors that show people voting who did not actually vote. The study only flagged people registered in two places under exactly the same name and date of birth.	Kansas City Star, Belleville News-Democrat	Two people are charged	Kansas City Star (January 8, 2005)	
Dead/Multiple		Yes								Yes		New Jersey	16-Sep-05	presidential	Republican Party claims 4,755 people who have died voted in the election and 4,397 people registered to vote in more than one county voted twice	New York Times			
Multiple	Absentee										Sandoval	New Mexico	9-Nov-02	state house	A comparison of names on absentee-ballot-request rosters and affidavits for the absentee-in-lieu-of-ballots made it appear that 5 people had voted twice absentee by mail and absentee-in-lieu-of at the polls.	Albuquerque Journal			
Multiple	In person			DA						Yes	Sandoval	New Mexico	24-Nov-04	presidential	Bureau of Elections employees found a woman who voted on a provisional ballot at one precinct also had voted at the regular precinct where she is registered. The signatures at both precincts appeared to be the same, so elections officials sent the case to the district attorney.	AP

Multiple				Press					Many likely errors			North Carolina	24-Oct-04	2000 and 2002	The Observer found up to 180 people who were listed as having voted in both Carolinas in either the 2000 or 2002 elections. Reporters found no one who admitted to double voting and discovered plausible explanations for many of the duplications. In one case, an Army captain in North Carolina shared the same name as his father in South Carolina. The father was likely mistakenly recorded under his son's name when he cast his ballot.	AP			
Multiple	Absentee					4				Yes	Jones	North Carolina	30-Oct-04	primary	Four men were charged with voting by absentee and on election day. Three denied the allegations or said they misunderstood the process.	AP			
Multiple				State								North Carolina	16-Dec-04	presidential	There are differences in most precincts between the number of ballots cast and the number of people recorded as voting. State investigators have concluded there is no way to rule out double-voting or missing votes because poll workers cannot explain the discrepancies.	Charlotte Observer			
Multiple		Yes		Press					Turned out to be untrue			Ohio	2-Nov-04	presidential	Republican attorney cites a Plain Dealer report saying more than 27,000 people are registered to vote in both Ohio and Florida and that 100 people cast votes in both places four years ago. A Dispatch investigation of the allegations found little proof of duplicate voting after comparing the Ohio and Florida state databases and conducting further research. After culling the list through those methods, the Dispatch interviewed the people left in question. This failed to turn up anyone who had ever voted twice. Many had never been to Florida; some had never lived in Ohio.	Columbus Dispatch			
Multiple					BOE				1 of 18 found worthy of investigation	Yes	Summit	Ohio	8-Dec-04	local	The Director of the Board of Elections says the number of people under investigation for voting twice has decreased from 19 to 10. The board already determined that there were legitimate explanations for about half of the votes. In one case it appeared a man voted absentee and at the polling place but it turned out the absentee ballot had been cast by his son who has the same name.	Akron Beacon Journal			2/24/2005, Akron Beacon
Multiple	Absentee								No indictment		London	Ohio	9-Dec-04	presidential	A couple who admitted voting twice were not indicted -- they voted by absentee ballot and then voted in person because they thought their absentee ballots had been lost	AP
