Mr. Edgardo Cortés

1225 New York Ave, NW - Ste 1100
Washington, DC 20005

Dear Mr. Cortés:

The purpose of this letter is to request an extension of the deadline for submitting amended HAVA reports for the following:

- Title I, Section 101 for Calendar Years 2004 and 2005
- Title I, Section 102 for Calendar Years 2004 and 2005
- Title II, Section 251 for Fiscal Years 2004 and 2005

We are seeking the extension in order to complete the more detailed narrative reports the EAC has requested in its correspondence of January 10, 2007. Completing the amendments to the reports listed above by January 26, 2007, will require additional time, as we did not receive the amendment request from the EAC until January 16, 2007, and a key employee in our fiscal office has been on leave due to family health issues. We will be able to complete our work and submit our amended reports on or before Friday, February 16, 2007.

Thank you for your kind attention to this request.

Sincerely,

RECEIVED
U.S. ELECTION ASSISTANCE
COMMISSION
2007 FEB 23 PM 4:01

Title II, Sec. 251

The funds in this section were used only to meet the requirements of Title III. The relevant sections of Title III are:

Computerized Statewide Voter Registration List Requirements and Requirements for Voters Who Register by Mail - \$1,697,841

Missouri developed the Missouri Centralized Voter Registration System (MCVR). Functional requirements for MCVR were finalized during Federal Fiscal Year 2004, and implementation occurred in Federal Fiscal Year 2005. (*State Plan, page 13, 14*)

In addition to the development of the software, the state also purchased hardware in the form of servers and networking equipment in order to deploy the application statewide.

Poll Worker Training - \$254,616

During the reporting period, Missouri provided poll worker training funds to local election authorities in the amount of \$254,616 (*State Plan, page 21-22, 34*). The funds were available to counties who had attended training sessions held by the Secretary of State's office and the University Outreach and Extension. The state used funds from Title I, Sec. 101 for CY 2003 and CY 2004 prior to receipt of Title II, Sec. 251 funding to ensure the poll worker training program could be implemented as quickly as possible. Title II Section 251 funding was used in FFY 2004 and FFY 2005 to complete the development and implementation of the poll worker training program, including modules and materials such as binders, VHS videotapes, DVDs, CD-ROMs with customizable MS PowerPoint presentations. The training program was designed and intended to be used by local election authorities to increase the expertise and knowledge of poll workers, increase service to voters, decrease voter complaints, improve the voting process and increase voter satisfaction. The materials prepared by the University Outreach and Extension included coverage of such things as provisional voting, a guide to HAVA, polling place procedures, the importance of ballot security, and serving voters with disabilities.

Interest Earned - \$139,104

The Missouri Secretary of State invested Title II, Sec. 251 funds during the reporting period and accrued interest in the amount of \$139,104.

State Matching Funds - \$77,886

During the federal fiscal year 2004, Missouri spent \$77,886 in State Matching Funds.

Maintenance of Effort - \$488,368

During the state fiscal year 2004, the Maintenance of Effort for Missouri was \$488,368.
