State HAVA Funding Reports
U S Election Assistance Commission
1225 New York Avenue NW Suite 1100
Washington DC 20005

Dear Commissioners,

Enclosed, as required for the 2006 calendar year, is the narrative and financial report for the State of North Dakota regarding its expenditure of funds received under Title I, Section 101, of the Help America Vote Act of 2002. As submitted to you in March of 2006, an error by the accounting agencies for state government caused my office to believe all funds for Section 101 had been spent. This report, detailing the use of the remaining attributable Section 101 interest funds, does represent the final report for this fund by the state of North Dakota.

If you have any questions regarding this report, please contact either one of the following persons:

Deputy Secretary of State

(B) Improving the administration of elections for Federal office.

RELATED EXPENDITURES:

Administrative Expenses \$ 978.37

Administrative Expenses

Shortly after the 2003 Legislative Assembly adopted the applicable law changes prompted by HAVA, the Secretary of State executed an agreement with the North Dakota Association of Counties (NDACo) to assist in the administration, coordination, and facilitation of the implementation of HAVA in North Dakota.

Under the agreement and with the approval of the Secretary of State, NDACo hired an individual to be the statewide HAVA coordinator. The coordinator works with federal, state, and local officials; the disabilities community; education systems; tribal entities; civic groups; and other individuals and organizations interested in the development and implementation of HAVA compliant election practices in North Dakota.

In addition, NDACo supports the HAVA implementation through its 30 employees located in seven regional offices. It also provides county governments with support for automations (technology); help with workforce safety issues; administers multiple federal grants directly affecting counties (i.e., Juvenile Justice, Homeland Security, Cellular 911, HIPPA, etc.); assists county commissioner boards; and delivers other services requested by counties. Services provided in addition to the HAVA coordinator under the HAVA agreement include but are not limited to support staff, creative staff, technology staff, and business management staff.

The expenditures made to the NDACo cover salaries and overhead (e.g., office space, staff support, supplies, travel, and meeting expenses).

Relationship to State Plan: The committee that created the State Plan and the Secretary of State believe that these contractual arrangements and projects are fundamental to the improvement of election administration and in keeping with the goals of Section 101 in Title I.

The Secretary of State's office already had a toll-free telephone number available to voters to call for any question, concern, or complaint they may have. Additionally, the number was posted conspicuously in every polling place and is available from each one of the state's 53 County Auditors and the North Dakota Protection and Advocacy Project's eight regional offices located throughout the state.
