State HAVA Funding Reports
U.S. Election Assistance Commission
1225 New York Avenue, NW – Suite 1100
Washington, DC 20005

RE: Help America Vote Act (“HAVA”) Title I, Sections 101 and 102 Financial Activity Report for January 1, 2004 thru December 31, 2004 – **Amended Per EAC Correspondence Dated January 30, 2007**
(Amendments are highlighted with strikethroughs and bold text.)

The purpose of this letter is to report on the Texas HAVA Title I, Sections 101 and 102 financial activity for the time period covering January 1, 2004 thru December 31, 2004 as requested by the U.S. Election Assistance Commission. Specifically, this report will list expenditures by program, function, or task (including dollar amount) made with respect to each category of activities described for the permissible use of funds in HAVA sections 101(b) and 102(a)(2); including the following:

- the number and type of articles of voting equipment obtained with the funds; and
- an analysis and description of:
 - the activities funded to meet HAVA requirements; and
 - how such activities conform to the submitted state plan.

The amended SF 269 reports are attached to this report.

Punch Card and Lever Replacement

Budget \$6,269,521 - 2004 Expenditures \$44,691.08

The SOS dispersed \$44,691.08 to Chambers County for costs incurred as a result of acquiring 14 accessible DREs. A number of the 17 Texas counties that used punch card or lever voting systems during the 2000 federal election replaced their systems but have yet to request reimbursement. It is anticipated that those counties will draw down their respective allotments of funding in 2005.

Preliminary Planning For Statewide Voter Registration System

Budget \$465,836 - 2004 Expenditures \$105,977

The SOS expended \$105,977 for a variety of professional services in 2004 as part of the state’s effort to meet the requirements set forth in Section 303 of HAVA. Those services included a business analyst to assist the SOS in procuring the products and services needed to develop the computerized statewide voter registration

system solution referred to as the Texas Election Management Administration (TEAM) system; an instrument to score proposals; and, consulting services to analyze the database for the selected solution. Since the SOS is past the preliminary planning phase of the project, the balance of \$359,859 will be used to offset implementation costs.

State Plan Administration

Budget \$3,726,690 - 2004 Expenditures \$243,216.58

The SOS expended ~~\$201,922~~ \$243,216.58 in 2004 for administrative expenses. Considering the SOS has never managed federal grant funds, the SOS spent considerable time and effort in 2004 on building the controls necessary to properly manage the HAVA grant funds. This included the development of an online grant system through an outside vendor and the hiring of a grant manager at the end of 2003 and the hiring of a grant accountant in early 2004. Significant time was also spent by the HAVA grant manager traveling to various conferences and seminars to discuss the HAVA mandates and the grant program to the appropriate county officials.

Voter Education

Budget \$2,795,017 - 2004 Expenditures \$0

The SOS began the planning process to outsource voter education, but no funding was expended as a result.

Election Official and Poll Worker Training

Budget \$2,795,017 - 2004 Expenditures \$0

The SOS began the planning process to outsource election official and poll worker training, but no funding was expended as a result.

County Compatibility with New Statewide Voter Registration System

Budget \$5,590,035 - 2004 Expenditures \$0

The SOS began the development and implementation of the TEAM system in November of 2004. Because county compatibility requirements have not yet been defined, these funds have not been made available to the counties.

County Education Fund

Budget \$1,834,000 - 2004 Expenditures \$0

No counties withdrew funds for expenses incurred under the County Education Fund in 2004. This may be partly attributable to the grant system development described in State Plan Administration.

Ann McGeehan
