* Statutes/regulations require testing by an independent testing authority or NASED accredited laboratory according to standards adopted by either the FEC or EAC.

** Statute allows for either NASED or EAC certification.

*** Statutes/regulations prescribe testing by an independent testing authority accredited by NASED, with no mention of Federal standards.

This chart should serve as a quick reference only. The companion document, "State Requirements and the Federal Voting System Testing and Certification Program," contains more detailed information, including EAC's methodology; and is in the process of being updated.
