

U.S. Election Assistance Commission
Board of Advisors

November 18, 2019
Quarterly Conference Call

Resolution

Offered by: Barbara Simons, Election Security Committee
Title: Security and Accessibility are both Critical

Whereas all Americans deserve secure, accessible, accurate, and reliable elections, And
Whereas neither security nor accessibility should be sacrificed for the other, And
Whereas the EAC Commissioners stress the importance of both security and accessibility¹,
Therefore:

The EAC Board of Advisors urges jurisdictions to insist on both security and accessibility in all procurement and development decisions.
