Re: Dominion Voting Systems Corp ECO 100974 Submitted for Approval

Dear Victor Vasquez

The EAC has reviewed Engineering Change Order **ECO 100974**, including supporting documentation and analysis provided by the voting system test lab. This minor change of the addition of the Apacer 8GB SDHC (AJ3.148FSA.00105) memory device as an alternate source, does not alter the system's reliability, functionality, capability, or operation. Based on the information provided, it has been determined that no further testing is necessary.

The systems impacted by this ECO are:

- Democracy Suite 5.5-B
- Democracy Suite 5.5-C
- Democracy Suite 5.5-D
- Democracy Suite 5.17

This correspondence is to inform you that Dominion Voting Systems Corp **ECO 100974** is approved.

Sincerely,

Brooke Watters
Sr. Election Technology Specialist, U.S. Election Assistance Commission
