Re: Hart InterCivic, Inc. ECO-01646 Submitted for Approval

Dear Pamela Geppert

The EAC has review Engineering Change Order **ECO-01646**, including supporting documentation and analysis provided by the voting system test lab. This minor change to correct the text translation errors for the Chinese and Vietnamese language databases on the Verity Data does not alter the system's reliability, functionality, capability, or operation. Based on the information provided, it has been determined that no further testing is necessary.

The systems impacted by this ECO are:
Verity Voting 2.7

This correspondence is to inform you that Hart InterCivic, Inc. **ECO-01646** is approved.

Sincerely,

Jonathan Le
Sr. Election Technology Specialist, U.S. Election Assistance Commission
