

In Colorado, we verify voter identity by comparing the signatures on your ballot envelope and voter record.

Help us process your vote more quickly by having the most current version of your signature on record.

To update the signature on your voter record:

- 1. Sign on the signature line below**
- 2. Place your driver's license or Colorado ID here**
- 3. Take a picture of this entire postcard**
- 4. Scan the QR code to send a secure email to Jefferson County Elections with the photo you took**
