**Re: Election Systems & Software, Inc (ES&S) ES&S ECO 1199 Submitted for Approval**

Dear Sue McKay

The EAC has reviewed Engineering Change Order **ES&S ECO 1199**, including supporting documentation and analysis provided by the voting system test lab. This minor change is a documentation change only and does not adversely impact the functionality, performance, accessibility, usability, safety, or security of the components or system or alter the overall configuration of the certified system. Based on the information provided, it has been determined that no further testing is necessary.

The systems impacted by this ECO is EVS 6.5.0.0.

This correspondence is to inform you that Election Systems & Software, Inc (ES&S) **ES&S ECO 1199** is approved.

Sincerely,

---
