**Re: Dominion Voting Systems Corp ECO 101081 Submitted for Approval**

Dear Victor Vasquez

The EAC has reviewed Engineering Change Order **ECO 101081**, including supporting documentation and analysis provided by the voting system test lab. This minor change added DELL Pro Max Slim XE computer as an EMS or Adjudication Client configuration due to the DELL Precision 3460 XE computer becoming commercially unavailable for purchase. It does not alter the system's reliability, functionality, capability, or operation. Based on the information provided, it has been determined that no further testing is necessary.

The systems impacted by this ECO are:

- Democracy Suite 5.5-D
- Democracy Suite 5.5-C
- Democracy Suite 5.17
- Democracy Suite 5.5
- Democracy Suite 5.5-B
- Democracy Suite 5.5-A
- Democracy Suite 5.20

This correspondence is to inform you that Dominion Voting Systems Corp **ECO 101081** is approved.

Sincerely,

---
