**Re: Clear Ballot Group, Inc. ECO-COTS-CV25-4 Dell Pro Micro Desktop Submitted for Approval**

Dear Russ Dawson

The EAC has reviewed Engineering Change Order **ECO-COTS-CV25-4 Dell Pro Micro Desktop**, including supporting documentation and analysis provided by the voting system test lab. This minor change added the Dell Pro MicroDesktop device as a COTS Design, Count, and ScanStation due to the Dell Optiplex XE4 SFF going end of life. This minor change does not alter the system's reliability, functionality, capability, or operation. Based on the information provided, it has been determined that no further testing is necessary.

The systems impacted by this ECO are:  
ClearVote 2.5

This correspondence is to inform you that Clear Ballot Group, Inc. **ECO-COTS-CV25-4 Dell Pro Micro Desktop** is approved.

Sincerely,

---

Thomas Freitag  
Field Services Specialist
