Re: Clear Ballot Group, Inc. ECO-COTS-CV25-2 Dell Pro 16 PC16250 Submitted for Approval

Dear Russ Dawson

The EAC has reviewed Engineering Change Order **ECO-COTS-CV25-2 Dell Pro 16 PC16250**, including supporting documentation and analysis provided by the voting system test lab. This minor change added a Dell Pro Series 16 PC16250 device as a COTS Design, Count, and ScanStation due to the Dell Latitude 5550 going end of life. This minor change does not alter the system's reliability, functionality, capability, or operation. Based on the information provided, it has been determined that no further testing is necessary.

The systems impacted by this ECO are:
ClearVote 2.5

This correspondence is to inform you that Clear Ballot Group, Inc. **ECO-COTS-CV25-2 Dell Pro 16 PC16250** is approved.

Sincerely,

Brooke Watters
Director of Testing and Certification
U.S. Election Assistance Commission
