

# The Palm Beach County Supervisor of Elections Office

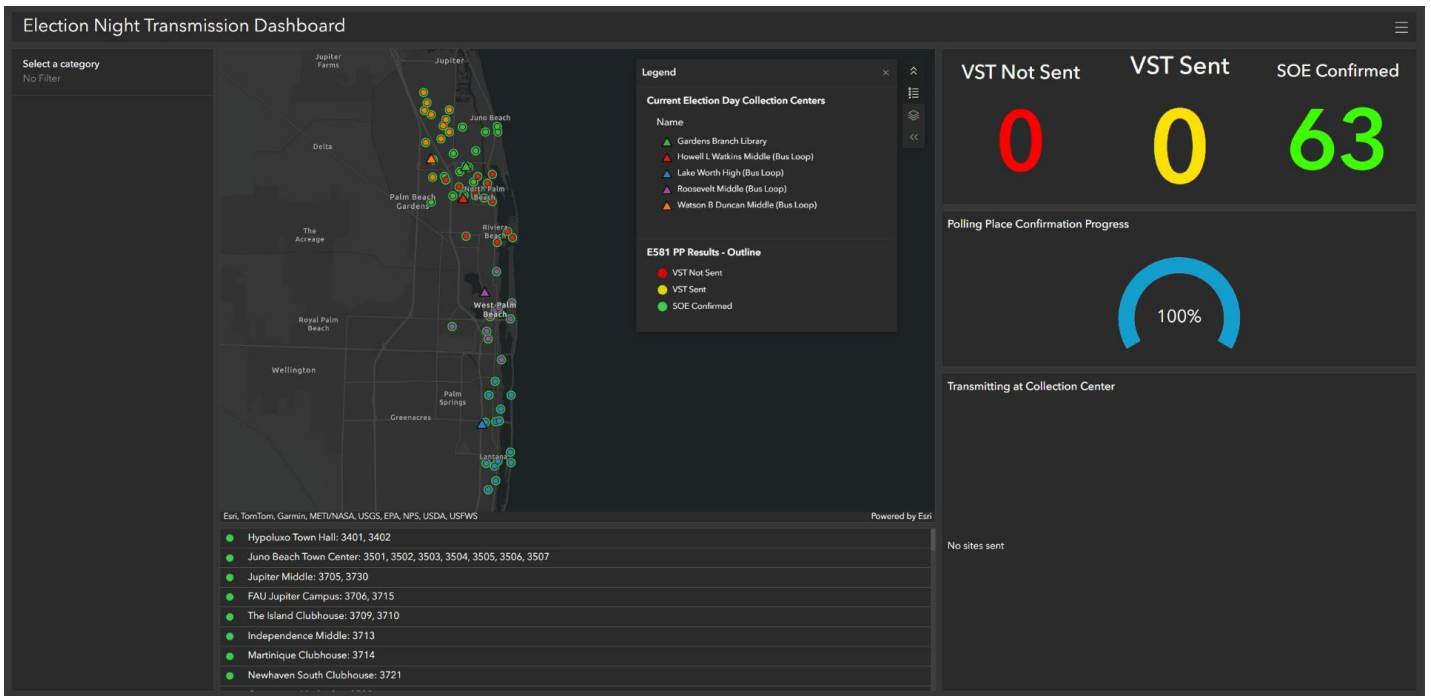

## Supplemental Materials

Real Time Transmission Oversight for the Modern Election Administration

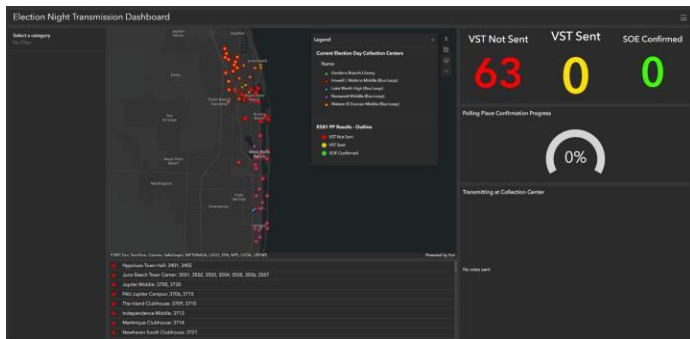

# Green: All sites successfully transmitted with no issues

## PBC SOE Continuity of Operations Plan

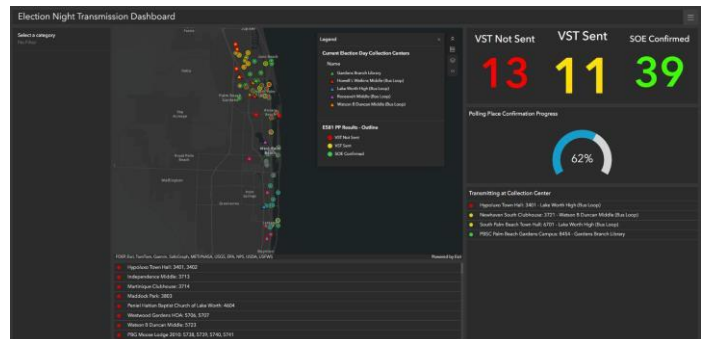

[Image of all the polling locations with successful transmission]

### Night Before Election Day with No Transmission

The night before Election Day, before any transmission occurs. All sites are recorded in red.

### End of Election Day Collecting Transmission

Midway through collecting results (with examples of the polling locations that were sent to transmit at the collection center).
