

**Appendix A:**

EAC VEPBCR 1.0 Certification Test Report (*TR-01-01-TEN-2026-01*)

Tenex Software Solutions, Precinct Central Touchpad 6.1.3

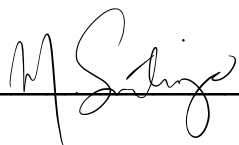

EAC Project Number: TSS-EPB-PC-6.1.3

**Warrant of Accepting Change Control Responsibility:**

Tenex Software Solutions, Inc. declares that all systems identified as EAC certified are configured to match the system approved by the EAC and its associated certification documentation.

Tenex further warrants that all Tenex Precinct Central 6.1.3 electronic poll book systems delivered to customers after EAC certification will conform to the certified configuration requirements at the time of delivery, as defined in the EAC certification documentation.

No modifications that deviate from the EAC certification documentation will be made unless such changes have been reviewed and authorized by the EAC as certified modifications.
