**Re: Election Systems & Software, Inc (ES&S) ESS-1212 Submitted for Approval**

Dear Chris Bruscino,

The EAC has reviewed Engineering Change Order **ESS-1212**, including supporting documentation and analysis provided by the voting system test lab. This minor change adds a Delkin X1 controller 4GB CFast card to the system for the ExpresVote XL, DS300, and DS950 devices and does not alter the system's reliability, functionality, capability, or operation.

The systems impacted by this ECO are:

EVS 6.1.1.0  
EVS 6.1.0.0  
EVS 6.4.0.0  
EVS 6.2.0.0  
EVS 6.3.0.0  
EVS 6.5.0.0

This correspondence is to inform you that **ESS-1212** is approved.

Sincerely,

---

Brooke Watters  
Director, Testing and Certification Program  
U.S. Election Assistance Commission
