

Warrant of Change Control for VotingWorks VxSuite 4.0

In accordance with Appendix B as listed in Appendix E of the EAC VSTL Program Manual Version 3.1 and Notice of Clarification (NOC) 09-04, VotingWorks warrants that all changes to the voting system that we were required to make to successfully complete conformance testing for VxSuite v.4.0 will be included in the VxSuite v4.0 EAC certified version of the product that is delivered to customers.

A handwritten signature in black ink, appearing to read "Ben Adida", written in a cursive style.

Ben Adida

Executive Director, VotingWorks
