

APPLICATION FOR TESTING
Election Supporting Technology Evaluation Program
U.S. Election Assistance Commission

OMB Control # 3265-0027

Expires: XX/XX/XXXX

Project Code

FOR EAC USE ONLY

About this Form

This form is used to submit election-supporting technologies for federal testing and certification under the U.S. Election Assistance Commission's (EAC) Election Supporting Technology Evaluation Program (ESTEP).

- **For certification purposes only:** This form is limited to applications for certification of eligible election-supporting technologies only and may not be used to apply for participation in a pilot program.
- **Before submitting:** The organization must receive EAC approval of its one-time [ESTEP Manufacturer Registration Form](#) before submitting this application.
- **Required fields:** All fields must be completed to receive approval. Enter "N/A" for a field that does not apply.
- **Questions and submissions:** Submit this form or questions to estep@eac.gov.

MANUFACTURER INFORMATION

1.	Organization Name Enter the full legal name of the organization, including designations (e.g., Inc., LLC, TM).
2.	Manufacturer Code Enter the 3-letter code assigned by the EAC during manufacturer registration.

SYSTEM INFORMATION

3.	Technology Submitted for Testing Select an election-supporting technology with an established EAC certification program.	☐ Electronic Poll Book ☐ Other Technology: _____
4.	System Name Enter the system name as it should appear on final certification materials.	
5.	System Version Number Enter the full version number as it should appear on final certification materials.	
6.	Brief Description of System Summarize the system, including its components & any modifications (if applicable).	

TESTING INFORMATION

7.	Applicable Requirements & Version Enter the applicable EAC certification requirements & version (e.g., VEPBCR v1.0).	
8.	Submission Type Select one; for modifications, identify the previously certified system name & version.	☐ New System ☐ Modification to: _____
9.	EAC-Accredited Test Laboratory Select a preferred EAC-accredited test laboratory, subject to availability.	☐ Pro V&V ☐ SLI Compliance

Disclaimer

This information will be used solely to administer the EAC Election Supporting Technology Evaluation Program. This program is voluntary, however, individuals who wish to participate must meet the requirements of the Program. This information will be made public consistent with the requirements of the Freedom of Information Act, the Trade Secrets Act, and any other applicable Federal law or regulation. Public reporting burden for this collection of information is estimated to average approximately 240 hours for a first-time submission and 32 hours for a subsequent submission. This estimate includes the time for reviewing the instructions, gathering information, and completing the form. Send comments regarding this burden estimate to the Election Supporting Technology Evaluation Program Director, U.S. Election Assistance Commission, 633 3rd Street N.W., Suite 200, Washington, DC 20001. Notwithstanding any other provision of law, no person is required to respond to, nor shall any person be subject to a penalty for failure to respond to, or comply with, a collection of information subject to the requirements of the Paperwork Reduction Act, unless that collection of information displays a currently valid OMB Control Number.
