Laga bilaabo 2004, Guddiga Kaalmada Doorashada (Election Assistance Commission) (EAC) waxay fullisay Wareysiga Maamulka Doorashada iyo Cod Bixinta (Election Administration and Voting Survey) (EAVS), doorashada guud ee federaalka kaddib. EAVS waxay weydiisatay dhamaan 50ka gobolada Mareykanka, District of Columbia, iyo shanta dhulalka Mareykanka—American Samoa, Guam, the Northern Mariana Islands, Puerto Rico, and the U.S. Virgin Islands—in ay bixiyaan xogta ku saabsan siyaabaha Mareykanka u dhiibtaan codkooda iyo sida doorashooyinka loo maamulo. Laga bilaabo 2008, mashruuca waxaa ka mid ahaa wareysi gaar ah, Wareysiga Siyaasadda Maamulka Doorashada (Election Administration Policy Survey) (Policy Survey), ee soo aruuriya macluumaad ku saabsan sharciyada doorashada gobolka, siyaasadaha, iyo dhaqanka.

EAVS waxaa laga helaa ilaha ugu dhamaystiran ee la xariira xogta heerka gobolka iyo deegaanka kuna saabsan maamulka doorashada Mareykanka. Xogtaan waxay kaalin lagama maarmaan ka cayaartaa kaalmada la siiyo sarakiisha doorashada, dadka dajiyi siyaasadda, iyo kuwa kale ee danno ku qaba doorashada in ay aqoonsadaan sasaanka, saadaliyaan kana jawaabaan baahida cod bixiyaha isbaddasha, maal geliyaan ilaha si loo hagaajiyo maamulka doorashada iyo waayaha cod bixiyaha, kaddibna si wanaagsan u sugaan doorashooyinka Mareykanka. Xogta EAVS waxay suurtogeliyeen in la baaro tafasiisha doorashada Mareykanka iyo in la soo saaro garasho guud oo ku saabsan dhinacyada muhiimka ah hawsha doorashada iyo maamulka taxadiga ka hor yimaada sarakiisha doorashada. Wareysiga wuxuu dadka dajiyi siyaasadda iyo dadweynaha wuxuu macluumaad muhiim ah ka siiyaa sida loo fulliyo doorashooyinka federaalka labo sanno kasta, taasi waxay ku kaalmeysaa EAC in ay fulliso waajibka kongreska ka saaray sharuudaha warbixinta. EAVS waxay lagama maarmaan u tahay sarakiisha doorashada ee isticmaasha xogta lagu maamulo kor ka eegidda doorashada, fullinta falanjeeynta arrimaha iyo qorsheynta istraatijayada, iyo abuurista tababar iyo qoraalada horumarinta. EAC waxay kaloo adeegsataa xogta EAVS si ay u abuurto ilaha habeynta si loo horumariyo ujeedada wakaaladda iyo sida wanaagsan ee loo taageero sarakiisha doorashada iyo cod bixiyeyaasha iyo sidoo kale si loo ogeysiyo sharci dajinta iyo kuwa daneeya heer-qaran saamaynta ay sharciyada cod bixinta federaalka ku leedahay iyo isbaddalada ku dhaca doorashooyinka Mareykanka.

Doorashada guud ee 2020 waxaa si culus u saameyay dillaaca cudurka COVID-19. Cudurka dillaacay iyo degdegga caafimaadka dadweynaha ee ku xigay lagama maarmaan ka dhigeen isbaddalo kala duwan oo lagu sameyay dhaqanka doorashada jirta si loo fududeeyo kala fogaanta bulshada iyo si loo hakiyo faafidda firuska ka jiro cod bixiyeyaasha, shaqaalahaa cod bixinta, iyo sarakiisha doorashada iyo shaqaalahaa. Jawaab ahaan, gobolo badan ayaa qaaday talaabo si ay u balaariyaan helitaanka cod bixinta qofka yimaado Maalinta Doorashada ka hor iyo cod bixinta lagu soo diro boostada. Xaaladda ay ku sugar tahay oo ah wareysiga ugu dhamaystiran ee la xariira maamulka doorashada Mareykanka, 2020 EAVS waxay u shaqeysaa sida xogta dadaaka aan caadiga ahayn ay geystaan sarakiisha doorashada qaranka iyo shaqaalahaa doorashooyinka in ay hubsadaan in doorashooyinka guud ee 2020 loo fulliyay hab ammaan ah oo sugar. Si loo gaaro taas, EAC waxay ku faraxsan tahay in ay Kongreeska 117 u soo gudbiso warbixinteeda 2020 EAVS.

Warbixintaan waxay si tafatiran u sharaxdaa sida doorashada guud federaalka 2020 loo maamulay iyo sida cod bixiyeyaasha u dhiibteen codkooda. Qalabka skaanka iyo qalabka calaameynta warqadaha cod bixinta (BMD) waxay ku sii socdeen in ay ahadaan noocyada caadiga qalabka cod bixinta la isticmaalo, iyo isticmaalka

mashiinada elatarooningga toos u duuba (DRE) aan lagu qalabeynin warqadda xisaabinta cod-bixiyaha xaqijiyo (DRE lana soconin VVPAT) waxay kaloo u sii socotay hoos. Sannadkii 2020, 32 maamul keliya oo ka jira waddanka ayaa isku haleyay mashiinada cod bixinta keliya iyo warqado aan ka dambaynin.

Waxa Laga Ogaaday Wareysiga Siyaasadda Maamulka Doorashada

Si loo macneeyo xogta ay gobolada ka soo gudbiyaan EAVS, EAC waxay soo aruurisaa maclummaadka ku saabsan siyaasadaha doorashada gobolada. Labo meel saddax gobolada la soo sheegay ee qaba siistemyada diiwaan gelinta kor ilaa hoos oo lagu marti geliyay fadhiiga ama qaabka uu gobolka ka shaqeeyo iyo adeegsado maclummaadka ay bixiyaan maamulada deegaanka, qeypta hartay oo ah hal-meel-saddax gobolada waxay sheegeen in ay qabaan aasaaska xogta hoos-kor ama mid isku dhaffan. Si loo ilaaliyo sax ahaanta xisaabta diiwaan gelinta cod bixiyaha, inta badan gobolada waxay soo sheegeen in maclummaadka lala qeybsado wakaaladaha baabuurga, hay'adaha dawladda ee haaya xogta dhimashada, iyo wakaaladaha haaya xogta dambiyada culus ama xogta xabsyada. Boqolkiiba gobolada bixiya diiwaan gelinta isla maalinta (51.8%) iyo diiwaan gelinta internetka (80.4%) waxay u kaceen kor laga bilaabo Wareysiga Siyaasadda (Policy Survey) 2018.

Wareysiga Siyaasadda (Policy Survey) waxay kaloo qortay kor u kaca xagga siyaasadaha gobolka ee ammaan geliya cod bixiyeyaasha in ay dhiibtaan warqadda cod bixinta ama yareyan safafka suurtogalka ah iyo dadka ku badan goobaha qof ahaan laga dhiibto codka. Sannadkii 2020, marka leysku darro 14 gobol waxay sheegeen in ay qabaan doorashooyinka dhamaan lagu diro boostada, halkas ay dhamaan cod bixiyeyaasha ku jira diiwaanka ama dhamaan cod bixiyeyaasha ku jiro diiwaanka ee si firfircoona uga qeybgala si toos ah boostada loogu diray warqadda cod bixinta - 10 ka mid ah goboladaan waxay gobolada ka fulliyeen doorashooyinka lagu diro boostada, halka afar ka mid ah goboladaan si la mid ah ka sameyneen maamulo la soo xullay. Tani waxay ahayd kor u kac laga ogaaday Wareysiga Siyaasadda 2018 (2018 Policy Survey), in saddax gobol ay doorashooyinkooda ka fulliyeen boostada iyo in afar gobol ay maamulada deegaanada qaar ay doorashooyinkooda ka fulliyeen boostada. Intaas kaddib, 69.6% gobolada ma u baahanin in cod bixiyeyaasha bixiyaan cududaar in ay awoodaan in ay codkooda ka dhiibtaan boostada (todobo gobol ayaa meesha ka saaray shardiga cududaarka laga soo bilaabo Wareysiga Siyaasadda 2018), iyo 51.8% gobolada waxay soo sheegeen in ay jiraan daruufo ay cod bixiyeyaasha elataroonig ahaa ku heli karaan warqadaha cod bixinta. Hase ahatee, Wareysiga Siyaasadda (Policy Survey) ma aruurin maclummaadka ku saabsan haddii baddalaadda siyaasadda loo sameyay doorashada guud sannadkii 2020 ahayeen joogto ama ku meel gaar, ama haddii baddalaadda loo sameyay in ay jawaab taaa ah u noqdaan dillaaca cudurka COVID-19.

Ku dhawaad dhamaan gobolada waxay soo sheegeen in loo baahan yahay siistemyada cod bixinta ay baarto iyo caddeyo shayaarka baaritaanka siistemka caddeyn ta cod bixinta la aqoonsan yahay-EAC (EAC-accredited voting system test laboratory) (VSTL), sida waafaqsan Tilmaamaha Siistemka Cod Bixinta Iskaa ay EAC-Qaadatay (EAC-adopted Voluntary Voting System Guidelines (VVSG), iyo caddeyn ta gobolka iyo federaalka labadaba. Sannadkii 2020, marka la soo qaado 40ka gobol ee soo sheegay in ay adeegsadaan buugaagta e-poll, 55% waxay u baahdeen baaris iyo caddeyn ku dhisan tafasiisha gobolka ka hor inta aysan iibsarin buugaagta cod bixinta-e

Muddada ka dambeysa doorashada, 78.6% gobolada waxay soo sheegeen in ay u baahan yahiin xisaab xer si loo xaqijiyo qalabka cod bixinta loo isticmaalo in si habboon loogu tiriyo codadka. Marka la soo qaado goboladaan, ku dhawaad saddax-meel-afar waxay codsadeen xisaabinta jadwalka hiddaha (taasoo baarta kambiyoone laga soo qaaday warqadaha cod bixinta laga soo qaado boqolkiiba xisaab go'an oo ah dagmooyinka cod bixinta si aan kala sooc lahayn loo soo xullay ama mashiinada cod bixinta), halka hal-meel-shan gobolada u baahdeen xisaabinta jadwalka yareynta halista (la isticmaalo hababa istaatiistikada si loo xullo cabbirka kambiyoona xisaabinga). Dhamaan gobolada waxay soo sheegeen in ay qabaan hab ay ku fulliyan dib u tirinta doorashada, inkastoo daruufaha lagu fulliyo dib u tirinta ku kala duwan yahiin gobolada.

Waxa Laga Ogaaday Sharciga Diiwaan Gelinta Cod Bixiyaha Qaranka (The National Voter Registration Act) (NVRA)

Xogta 2020 EAVS waxay muujiyaan qadarka diiwaan gelinta cod bixiyaha shaqeeyo xagga doorashada guud 2020 waxay ahayd 88.2% CVAP, taasoo u dhiganta kor u kac gaara boqolkiiiba 3.5 laga bilaa 2016 EVAS. In ka badan 103 malyan oo ah arjiyada diiwaan gelinta cod bixiyayaasha ayaa la gudbiy inta u dhexeyso xeritaanka diiwaan gelinta doorashada guud 2018 iyo xeritaanka diiwaan gelinta doorashada guud 2020, taasoo mattasha kor u kac 33.8% tirada arjiyada la diiwaan geliyay ee la qabtay ilaa laga gaaro doorashada guud 2016. Marka la soo qaado arjiyada diiwaan gelinta la qabtay, natijada caadiga waxay ahayd casriyeeynta diiwaanka iminka jira cod bixiyaha balse aan ku lug lahayn isdhafka maamulada marka la baddalo cinwaanka. Casriyeeynta noocaan waxay qaadatay ku dhawaad bar ka bar arjiyada diiwaan gelinta soo gashay. Diiwaan gelinta cusub ee shaqeysa kana dhallatay abuurista diiwaan gelinta cod bixiyaha cusub gudaha maamulka waxay ahayeen ku dhawaad saddax meel hal meel arjiyada la qabtay.

Sida qiyaastii la soo dhaafay ee EAVS, waaxyada baabuurtu gobolka waxay gaareen qeypta ugu balaaran arjiyadaan diiwaan gelinta (39.3%). Isha labaad ee ugu badan arjiyadaan waxay ahayd diiwaan gelinta internetka, taasoo gaartay 28.2% arjiyada. Diiwaan gelinta internetka waxay kaloo aragtay koriimada ugu badan isha diiwaan gelinta ay EAVS la socotay.
