**Title I, Section 101 Annual Narrative Report for Calendar Year 2006**

During Calendar Year 2006, the Secretary of State's office expended \$61,635.39 of Section 101 funds to improve the administration of elections. This included the cost of personnel to work with interested stakeholders in facilitating implementation of the Help America Vote Act in Alabama and the cost of promulgating such administrative rules and procedures as necessary to fulfill the mandates of the Help America Vote Act. This also included the cost of meetings of the Help America Vote Act State Plan Committee.

During Calendar Year 2006, the Secretary of State's office expended \$519,320.91 of Section 101 funds to educate voters concerning voting procedures, voting rights, and voting technology; and to train election officials, poll workers, and election volunteers.

No other activities were conducted with Section 101 funds in Calendar Year 2006.

No Section 101 funds were expended on voting equipment in Calendar Year 2006. Alabama law provides that the county commissions will purchase voting equipment and that the State of Alabama will reimburse such purchases after they have been made in compliance with all applicable laws. Reimbursements to the county commissions for equipment purchases meeting compliance requirements were reimbursed from Title II funds during 2006. (See Title II narrative.)

These expenditures conform to Alabama's State Plan, as the Plan commits the Secretary of State to conduct uniform voter education via mass media. The Plan also commits the Secretary of State to work with local elections officials, members of the State Plan Committee, and other interested stakeholders in implementing the Help America Vote Act in Alabama. Finally, execution of the State Plan requires some devoted administrative and legal work, which requires limited expenditures on personnel.
