To Whom It May Concern:

This submission constitutes the State of California's narrative report on expenditure of Help America Vote Act of 2002 (HAVA) Title II, Section 251 funds to meet HAVA Title III requirements for the federal 2004-05 fiscal year (October 1 to September 30). This narrative report, including an analysis of how the expenditures conform to California's submitted State Plan, accompanies the submission of Standard Form 269 as required by the Election Assistance Commission (EAC).

California did not expend any Title II, Section 251 funds during this reporting period. It should be noted, however, that \$195 million in Section 251 funds were encumbered on December 19, 2005 when the State of California began executing contracts with its counties for the purpose of reimbursing counties for the purchase of voting systems that meet the requirements of Section 301, and for the purpose of providing for poll worker training and voter education. Further, pursuant to the state approval process, and a November 2, 2005 Memorandum of Agreement with the U.S. Department of Justice, California anticipates encumbering funds for undertaking a statewide voter registration database project to achieve full compliance with Section 303 requirements. Other funds may be encumbered during this time for complying with Section 301 requirements related to voting system testing and certification and for state-sponsored voter education efforts. All of these efforts are consistent with California's State Plan.

If you have any questions regarding this report, please do not hesitate to contact me at (916) 651-7837.

Sincerely,

Chris Reynolds
