Re: State of Connecticut

Attached is Standard Form 269 for the reporting of the Help America Vote Act (HAVA), Title II, Section 251 funds for FY 2005 (10/1/04 – 9/30/05).

As of 9/30/05, the State of Connecticut has not yet expended these funds. The funds will be used to carry out activities allowed for the use of HAVA Section 251 funds and as authorized by the State of Connecticut, State Plan. Specifically, the funds will be used for:

Purchase of Voting Machines

The State of Connecticut has issued a second RFP for the purchase of compliant voting machines and we are working closely with the Department of Justice in order to meet HAVA deadlines. In addition, significant funds will be used to train poll workers and election officials and to conduct voter outreach on the use of the new electronic voting equipment.

Provisional Voting

Includes the purchase and printing of forms, envelopes, training manuals and other related materials to ensure that the provisional ballots continue to be effectively and properly implemented in the State of Connecticut. In addition, our office conducts education sessions with local election officials regarding provisional ballots and the availability of such ballots and of their proper use.

Voter Information

The State of Connecticut had already mandated, prior to the passage of HAVA, that voting information be displayed at each polling place. Our Office has adjusted and included some content in these postings in order to comply with HAVA. The Office of the Secretary of the State will continue to provide these postings as needed.

State-wide Voter Registration Database

Connecticut's voter registration database was completed in September 2003. In addition, our Office has designed, tested and deployed additions and upgrades to the voter registration database as required by HAVA along with appropriate training and outreach for local election officials. The Secretary of the State's Office will continually maintain and improve the software used in the voter registration system and maintain a technical infrastructure necessary for all users of the system.

Voter Identification for First-time Voters

The Office of the Secretary of the State conducts various voter education efforts and poll worker training sessions to ensure that the general public and local election officials fully understand and comply with the provisions of the Help America Vote Act. The voter education efforts focus on the new identification procedures for both voting in-person and by absentee ballot.

Feel free to contact me at (860) 509-6212 if you have any questions or need additional information.

Sincerely,

Lesley Mara  
Deputy Secretary of the State
