Re: State of Connecticut

Attached is Standard Form 269 for the reporting of the Help America Vote Act (HAVA), Title II, Section 251 funds for FY 2006 (10/1/05 – 9/30/06).

As of 9/30/06, the State of Connecticut has expended \$770,243.72 of these funds. The funds were used to carry out activities allowed for the use of HAVA Section 251 funds and as authorized by the State of Connecticut, State Plan. Specifically, the funds were used for:

Purchase of Voting Machines-----\$107,885.55 (see below)

The State of Connecticut issued a second RFP for the purchase of compliant voting machines and we worked closely with the Department of Justice in order to meet HAVA deadlines. Connecticut chose to purchase optical scan voting machines and the IVS Vote-by-Phone system for use by persons with disabilities. Those funds were expended AFTER 9/30/06 which we will be reporting to the EAC in the next fiscal year. However, the State of Connecticut entered into a partnership with the University of Connecticut to ensure proper programming, security and chain of custody for the new optical scan voting machines.

Provisional Voting (previously reported and expended)

Included the purchase and printing of forms, envelopes, training manuals and other related materials to ensure that the provisional ballots were effectively and properly implemented in the State of Connecticut. In addition, our office conducted education sessions with local election officials regarding provisional ballots and the availability of such ballots and of their proper use.

Voter Information (previously reported and expended)

The State of Connecticut had already mandated, prior to the passage of HAVA, that voting information be displayed at each polling place. Our Office has adjusted and included some content in these postings in order to comply with HAVA. The Office of the Secretary of the State will continue to provide these

postings as needed. In addition, we expect to use a significant amount of funding to train poll workers and election officials and to conduct voter outreach on the use of the new optical scan voting equipment and accessible voting machines.

State-wide Voter Registration Database-----\$662,358.17

Connecticut's voter registration database was completed in September 2003. In addition, our Office has designed, tested and deployed additions and upgrades to the voter registration database as required by HAVA along with appropriate training and outreach for local election officials. The Secretary of the State's Office will continually maintain and improve the software used in the voter registration system and maintain a technical infrastructure necessary for all users of the system.

Voter Identification for First-time Voters (previously reported and expended)

The Office of the Secretary of the State conducts various voter education efforts and poll worker training sessions to ensure that the general public and local election officials fully understand and comply with the provisions of the Help America Vote Act. The voter education efforts focused on the new identification procedures for both voting in-person and by absentee ballot.

Interest Earned-----\$1,374,300

This represents the interest earned for the State of Connecticut's HAVA fund account for the 2006 fiscal year.

Feel free to contact me at (860) 509-6212 if you have any questions or need additional information.

Sincerely,

Lesley Mara
Deputy Secretary of the State
