**STATE OF GEORGIA
HAVA EXPENDITURE REPORT FOR
TITLE I SECTION 101 FOR CALENDAR YEAR 2005
1/1/05 thru 12/31/05**

In compliance with Title I Section 101 of the Help America Vote Act (HAVA) the State of Georgia submits the following expenditure report for calendar year 2005. This report reflects expenditures for the period beginning January 1, 2005 through December 31, 2005. These expenditures are consistent with the proposed use of the HAVA funds as set forth in the State of Georgia HAVA Plan filed with the Election Assistance Commission and as allowed by the Title I.

Title I Section 101(b) Expenditures.

A. Voting System Improvement Sec. 101(b)(1)(F): \$1,052,126.33

In further support of voting system improvement, the State of Georgia purchased electronic poll books (ExpressPolls) an enhancement to the DRE voting system, which encompasses features for added efficiency to the current voter registration system. The electronic poll book replaces the existing encoder component necessary for accessing election ballots on the DRE voting system. The electronic poll books were utilized in every precinct for the 2006 General Primary and General Election.

B. Election Administration Improvement Support. Sec. 101(b)(1)(F): \$86,369.60

(1) The State of Georgia expanded the availability and scope of the current services offered by the Center for Election Systems at Kennesaw State University Center. The Center's mission has broadened since the implementation of Georgia's statewide uniform voting system to include not only acceptance testing but also evaluation, training, support, ballot building, and overall security for all aspects of the voting system. \$83,000.

(2) The State of Georgia offered and conducted regional training for the 159 Georgia election superintendents and their staff on the use of the DRE voting units, HAVA requirements and additional federal laws for improvement of election administration in the State of Georgia. These training sessions were held in four regional locations and included education and training materials for each county. \$3,369.60.

Administrative Expenditures - - State Audit Function: \$11,692.13

The State of Georgia incurred a state audit of all HAVA funds. This expenditure was paid to the Department of State Audits of the State of Georgia for the 2005 fiscal year end audit of the State HAVA Fund. These funds were also used to cover banking expenses associated with maintaining the separate HAVA bank account.
