**STATE OF GEORGIA
HAVA EXPENDITURE REPORT FOR
TITLE I SECTION 101 FOR CALENDAR YEAR 2004
1/1/04 thru 12/31/04**

In compliance with Title I Section 101 of the Help America Vote Act (HAVA), the State of Georgia submits the following reports which include the amount of expenditures for Title I funds disbursed after December 31, 2003. This report reflects expenditures for the period beginning January 1, 2004 and ending December 31, 2004. These expenditures are consistent with the proposed use of HAVA funds as set forth in the State of Georgia HAVA Plan filed with the Election Assistance Commission in July 2003.

Title I Section 101(b) Expenditures.

A. Voting System Security Improvement. Sec 101(b)(1)(F). \$280,053.63

The Secretary of State used Section 101 funds to acquire state specific voter access cards and supervisor cards for use with the Direct Record Electronic (DRE) voting units purchased in compliance with Title II and the voting system standards of Title III Section 301. These state specific cards enabled the State of Georgia to provide an increased layer of security to the state's uniform voting system.

B. Election Administration Improvement. Sec 101(b)(1)(F). \$496,834.26

In support of election administration for the November 23, 2004 General Election Runoff, the Secretary of State arranged for the vendor to provide election support to county election superintendents for three days during election preparation and the conduct of the General Election Runoff.

The Secretary of State also produced and recorded training videos with the assistance of the Georgia Public Broadcasting Agency. These videos were used to train election officials on the setup and operation of the touch screen voting system and used to educate the general public on how to vote on the touch screen voting system.

Administrative Expenditures - - Audit Function and Banking Fees. \$7,807.76

Section 101 funds were used to pay the Georgia Department of State Audits for the 2004 fiscal year end audit of the State HAVA Fund. These funds were also used to cover banking fees associated with maintaining the separate HAVA bank account.
