**KENTUCKY STATE BOARD OF ELECTIONS
REPORT ON EXPENDITURES OF TITLE I FUNDS
FOR CALENDAR YEAR 2006**

As requested by the U. S. Election Assistance Commission, listed below is a detailed list of expenditures and a description of related activities conducted by the Kentucky State Board of Elections during the calendar year 2006 utilizing HAVA Title I, Section 101 funds.

**Improving Accessibility and Quality of Polling Places For
Individuals with Full Range of Disabilities - \$55,848.66**

Kentucky State Board of Elections contracted with Kentucky Disabilities Coalition to establish and implement HAVA requirements relating to voters with a full range of disabilities. A comprehensive survey of all voting locations, using tools/guidelines that were developed based on Americans with Disabilities Act Accessibility Guidelines was implemented. Poll worker training materials were developed and distributed. A questionnaire was developed to evaluate usability of each approved voting system. Evaluations were completed for voting systems and results submitted to the State Board of Elections. A "news alert" was disseminated to individuals with disabilities and disability organizations encouraging individuals with disabilities to register to vote and that voting machines were accessible.

Improving the Election Process - \$1267.50

Hensley Elam & Associates was contracted for maintenance of the scanning system. Scanning system is used to scan precinct rosters after each election in order to produce voter history on the statewide database.

HAVA Advisory Committee - \$621.42

HAVA Advisory Committee Board members were reimbursed for travel mileage to/from meetings.

**Implementation and Utilization of an Interactive Voice Response (IVR) system -
\$18,000**

A free access (toll-free telephone number) was implemented and utilized on election days to provide assistance to county clerks and poll workers.

Temporary Polling Place Accessibility Equipment - \$205,320.28

Kentucky State Board of Elections purchased temporary polling place accessibility equipment to make all polling places accessible to individuals with a full range of disabilities. Polling places were provided with voter accessible temporary parking signs,
