Dear Sir/Madam:

The New York State Board of Elections is submitting Standard Form 269 for the Title II funds for New York State for the period covering October 1, 2005 through September 30, 2006. As you will remember we have requested information on the 5% match.

As we stated in an email in March of 2007, the Office of General Services fiscal management system does not lend itself to processing payments with multiple lines and multiples years. To accomplish the split coding, the Office of General Services decided to make the initial payment 100% to the federal funds, in the first instance and process a journal voucher after the fact reimbursing federal funds and charging the 5% to the state funds. Therefore, the transaction to show the 5% match was not processed until October 5, 2006.

At this time we will submit Standard Form 269 showing the 5% match. Please let me know if you have any questions.

Sincerely,

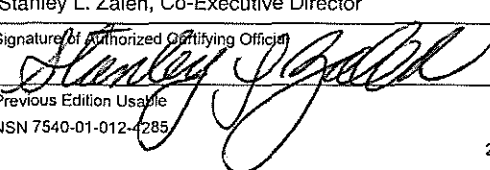

Patricia L. Tracey
Administrative Officer

The OGS FMS will not process payments with multiple lines years. To accomplish the split OGS decided to make 100% from federal funds then process a journal voucher afterwards reimbursing the federal funds and charges 5% to state funds.
