Dear Ms. Sims:

I have enclosed our 269 report, along with a narrative, which details Title II funds received and spent between April 23, 2003 and September 30, 2004. I apologize for the extreme delay in getting this report to you. We were originally under the impression that we did not need to send a report as we thought we were only to submit one if we had expenditures. In further review of your email to us, I realized it was determined by whether we had received funds by September 30, 2004.

We also realized expenditures that were originally paid with Title I funds should have been paid with Title II and state matching funds. We have reversed the original expenditures and paid them from the proper accounts. If you have any questions regarding this report, please contact me at 803-734-9069 or by email at jreynolds@elections.sc.gov.

Sincerely,

Janet Reynolds
Finance Director

Financial Status Report of Help America Vote Act (HAVA) Funds For the Period April 23, 2003 – September 30, 2004 State of South Carolina

Title II Funds

South Carolina received \$32,421,280 in Title II funds. \$1,982.56 was spent in Title II funds through September 30, 2004. However, the funds were originally expended from Title I funds. When we categorized the expenditures on our spreadsheet we realized the expenditures were for the new voting system and should be paid using both Title II and the 5% state matching funds. The original expenditures were processed between July 27, 2004 and August 11, 2004. On February 28, 2005 the Title I expenditures were reversed and \$1,883.42 was expended from Title II funds and \$99.14 was expended from the 5% state match.

New Voting System

As explained above, \$1,982.56 was expended for the new voting system. The expenditures were for reimbursement of travel expenditures for members of the evaluation team who were evaluating RFP's for the new voting system.

\$700,000 was appropriated by the State to be used for the 5% matching fund requirement. A total of \$99.14 was spent using matching funds. Interest in the amount of \$28,818.92 was deposited and will be used to complete the requirements of HAVA until all funds have been exhausted. No interest funds had been spent.

Note: The State Election Commission secured a contract for the new voting system for \$33,627,234.70 and a contract for education and voter outreach services for \$3,421,000 during this period. Both contracts have clauses that will negate them in the event that funds are not available.
