SF-269 Supplemental Information

Election Reform Section 251 Requirements Payments

Reporting Period - 1 Oct 2003 to 30 Sep 2004

Federal Spending

During the reporting period, Vermont spent no HAVA Section 251 funds. HAVA spending to date has been from section 101 funds.

State spending

State spending for elections administration during the reporting period totaled \$403,987.87. All spending was for eligible HAVA activities for the purpose of improving elections for federal office.

State spending represents the operating cost of the Elections Division. The division protects the integrity of campaigning and elections in Vermont; facilitates the access of all citizens to elections, governmental activities, and public issues; provides administration and support for the orderly conduct of elections, including making recommendations for improvements to the process (both technological and policy); provides responsive and accurate information and advice to citizens, public officials, and the press on elections.

The required annual maintenance of effort amount is \$150,000.00. Subtracting MOE from total state spending equals \$253,987.87. This amount is reported as "recipient share" of Section 251 spending for the period.

State match

The HAVA state match requirement is:

"... an amount equal to 5 percent of the total amount to be spent for such activities (taking into account the requirements payment and the amount spent by the State)"

Requirements payment:	\$ 11,596,803.00
	<u>÷ .95</u>
Total spending:	\$ 12,207,161.05
Less requirements payment:	<u>- \$ 11,596,803.00</u>
State match required:	\$ 610,358.05
State match spent this period:	\$ 238,987.87
Remaining match requirement:	\$ 371,370.18

Vermont's current fiscal year budget has appropriated continued funding for state match.
