2. An analysis and description of the activities funded to meet HAVA requirements and how such activities conform to the submitted State plan:

Vermont has spent a total of \$1,290,427.37 during this period. During this period (calendar year 2006) the following activities were funded to meet HAVA requirements in conformance with our Vermont State Plan, promulgated July 28, 2003:

- A. Pages 3 & 17, Vermont State Plan: \$446,271.99 was spent in this reporting period to improve the administration of elections for federal office by purchasing additional hardware, software, and training for state information technology staff to develop the statewide voter registration checklist and to train municipal clerks on the use of this system; to provide grants to towns and cities (grants under \$3,000 except in 3 large jurisdictions up to \$6,000) within Vermont to purchase computer equipment or training to allow the clerk to access the statewide voter registration checklist; to pay consultants to assist in the development and refinement of the statewide voter checklist.
- B. Page 18, Vermont State Plan: Improving the administration of elections for federal office including implementing the budget and fiscal controls required by HAVA. In 2006, \$10,052.02 was spent in order for the Director of Administrative Services to attend the NASS/EAC training on indirect costs and also for the staff costs to have the Director and a staff person develop and receive approval for the indirect cost formula to be used by the State of Vermont for HAVA programs.
- C. Pages 7, 8, 9, Vermont State Plan: \$104,849.92 was spent on outreach to voters to educating voters concerning voting procedures, voting rights, and voting technology. These projects included preparation and updating of voter rights posters for each polling place, updating of voter education videos demonstrating voting procedures, preparation and distribution of materials to educate voters in the use of the Vote-by-Telephone system, and updating and distribution of a disability etiquette guide.
- D. Pages 12 and 13, Vermont State Plan: \$372,904.16 was spent on improving voting systems in Vermont by acquiring 12 additional vote tabulating machines for municipalities, purchasing and providing accessible voting stations (420 handicapped accessible voting booths), 300 table top voting booths, and 285 ADA phones & headsets to be used with the vote-by-telephone system for all municipal jurisdictions in Vermont. This is a continuing program and additional accessible voting stations may be provided with funds in the next reporting period, and in future years as needed.
- E. Pages 4 & 17, Vermont State Plan: Purchase and Installation of a voting system for each polling place in Vermont that is accessible to persons with disabilities including blind and visually impaired persons. Vermont spent \$106,253.52 for installation, maintenance, licensing of the telephone voting system during this calendar year.
- F. Page 18, Vermont State Plan: \$250,095.71 is the amount of indirect costs for calendar year 2006 as calculated according to the approved indirect cost agreement.
