Technical Guidelines Development Committee

The Help America Vote Act of 2002 (HAVA), establishes a 15-member Technical Guidelines Development Committee (TGDC) to assist the Election Assistance Commission (EAC) in the development of voluntary voting system guidelines. HAVA names the Director of the National Institute of Standards and Technology (NIST) to chair the TGDC and requires NIST to provide the TGDC with technical support necessary to carry out its duties.

Designated Federal Officer

Matthew V. Masterson, Commissioner, U.S. Election Assistance Commission
