

# State of Delaware

Elaine Manlove  
State Election Commissioner  
Department of Elections

*State of  
Delaware*

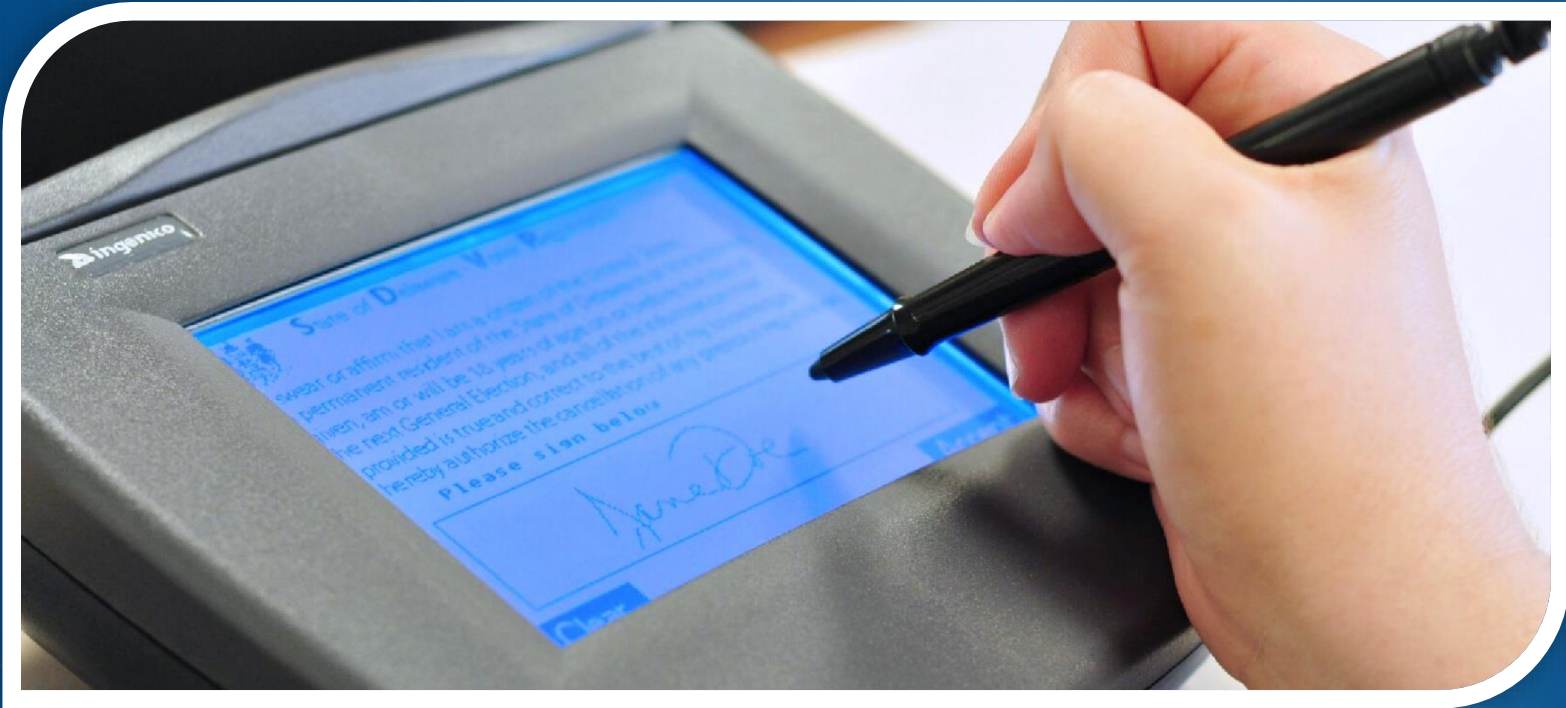

# Topics

- Voter Registration using eSignature
- Election Day and Schools

*State of  
Delaware*

# What is eSignature?

State of  
Delaware

# Goals of eSignature

- Streamline method of registering and maintaining voter registration
- Re-engineer DMV/Elections interface to make sure Elections receive every application
- Eliminate or reduce the use of paper applications

*State of  
Delaware*

# Benefits of eSignature

- Cost-Savings
  - Paper
  - Time
  - Office Space
- Accurate and Secure Data

*State of  
Delaware*

# eSignature in Action

- Department of Elections
  - eSignature for Walk-In Applicants
  - Scanning for Mail-In Application
- Division of Motor Vehicles

  - Public Libraries, State Fair, etc.

State of  
Delaware

# Future of eSignature

- Web

Registration

- Inter

- Federal Postcard Mail Applications for Military and Overseas Voters

State of  
*Delaware*

# Election Day and Schools

- School Facilities as Polling Places

- Approximately 50% of Delaware's polling places are schools
- We could not conduct elections without these buildings which are accessible, well-located with adequate space and parking

*State of  
Delaware*

# Election Day and Schools

- Teacher In-Service Days
  - The General Election is a holiday in Delaware
  - Delaware has requested that schools re-schedule an existing Teacher In-Service Day to the day of the Primary Election

*State of  
Delaware*

# Q & A

*State of  
Delaware*

# *Thank you!*
