**(Wyoming Fund 483)**

Pursuant to U.S. Election Assistance Commission (EAC) protocol, the following narrative and compilation lists expenditures and description of activities undertaken with HAVA Title III, Section 906 funds by, or at the discretion of, the Wyoming Secretary of State. The total spent from Title III, Section 906 funds during this reporting period was **\$78,540.00**.

Our office received the full amount requested of \$3,000,000.00 in July of 2018. Our State has developed a plan to utilize these funds in accordance with the Consolidated Appropriates Act, 2018 to "improve the administration of elections for Federal office, including to enhance election technology and make election security improvements."

**Reporting Period Activities**

**Voting Equipment:**

The majority of funds received will be used to purchase new voting equipment. However, at this time, no funds have been expended in this category. Our office is currently working with several Wyoming County Clerks in selecting a single statewide voting vendor.

**Security:**

The expenditures reported, \$78,540.00, were spent in their entirety on improving election security. Our office implemented several security upgrades to our statewide voter registration system, to include: two-factor authentication, updates to the .Net framework, Oracle, and our Citrix presentation software.

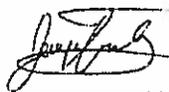

**State Match:**

Our office is required to provide a state match of \$150,000.00 prior to March 23, 2020 and has successfully completed the required state match as of February 14, 2019.

**Conclusion:**

Wyoming continues to finalize plans for the purchase of new voting equipment and implementing enhanced security measures.
