10. Describe in detail what happened during this reporting period and explain how you implemented the approved grant activities.

Additional equipment needs were identified in working with Carroll, Chicot, Hot Spring, and Lawrence Counties and the Secretary of State used grant funds to purchase additional voting equipment in line with these needs, and the equipment was provided to the counties.

Additional equipment needs were identified in working with Lee, Monroe, Scott and Stone Counties and the Secretary of State used grant funds to purchase additional voting equipment in line with these needs, and the equipment was provided to the counties. Additionally, funds were expended to purchase equipment by the Secretary of State's office to upgrade and update voting registration systems and management to help ensure the timely and accurate reporting of voting administration throughout the state.

11. Provide a timeline and description of project activities funded to meet HAVA requirements. Provide an analysis of how such activities conform to the submitted State Plan or Program Narrative as applicable.

In February 2020 additional equipment needs were identified in working with Carroll, Chicot, Hot Spring, and Lawrence Counties and the Secretary of State used grant funds to purchase additional voting equipment in line with these needs, and the equipment was provided to the counties.

In June 2020 further equipment needs were identified for Johnson, Stone, Monroe and Lee counties and the Secretary of State used grant funds to purchase additional voting equipment in line with these needs, and the equipment was provided to the counties.

In August and September of 2020 the Secretary of State’s office purchased several computers, servers and switches to upgrade and update voting registration systems to help ensure the timely and accurate reporting of voting administration throughout the state.

All of these actions were taken in respect to the issues discussed under the "Voting Equipment Replacement and Upgrades" section of the program narrative.

12. Describe any significant changes to your program during the course of the project, or if the project was implemented differently than described in your original State Plan or Program Narrative.

Otherwise enter - no significant changes during this period.

No significant changes during this period.

13. Describe any favorable developments which enabled meeting time schedules and objectives sooner or at less cost than anticipated or producing more or different beneficial results than originally planned.

Otherwise enter N/A.
14. Report on the number and type of articles of voting equipment obtained with the funds. Include the amount expended on the expenditure table.

Otherwise enter - No articles of voting equipment purchased during this period.

17. Match (if applicable):

Describe how you are meeting the matching requirement.

Otherwise enter - match not required.

Match for the original funds provided in FY18 has been previously met. Match provided on the new funds has been matched by purchasing election equipment from state funds.

18. Issues Encountered:

Describe all major issues that arose during the implementation of the project and the reasons why established goals were not met, if appropriate. Address each issue separately in its own section, and describe whether and how the issues were resolved. Also, briefly discuss the implications of any unresolved issues or concerns.

Otherwise enter - no issues encountered.

No issues encountered.

19. Upcoming Activities:

Provide a timeline and description of upcoming activities.

The Secretary of State's office plans to further continue the activities described in the "Voting Registration Systems and Management" section of the Program Narrative. This includes upgrading all hardware and software associated with voting registration data with our Elections division, integrating on-line voter registration systems (state legislation pending), working with internet service providers to increase accessibility to voter registration data in rural sections of the state. These projects are to commence during calendar year 2021 and efforts will be continued for the grant period thereafter.

In calendar years 2021-2023 the Secretary of State's information technology division plans to begin the plans described in the "Cyber Vulnerabilities" section of the Program Narrative. This includes implementation of multifactor-authentication for county election officials, installing new cybersecurity software to protect election activates and records, and providing cybersecurity...
training to all state election officials to update them on modern cyber threats. Some training activities have been delayed due to the nature of the global coronavirus pandemic, but as vaccines come available we are looking at continuing to organize these efforts. The MFA set up and software installation is aimed for summer of 2021.

Other activities planned for calendar years 2021 and 2022 include replacing the state’s Election Night Reporting System and constructing and implementing a new system to allow for online UOCAVA voting during the next election cycle. Bidding for the new system should be taking place by summer 2020.
