Additional guidance can be found on our website: https://www.eac.gov/payments-and-grants/financial-progress-reporting			
EAC grants reports will be made publicly available. Therefore, your report narrative should: * Be written in clear, concise, and plain language * Not include sensitive confidential information			
6. Describe in detail what happened during this reporting period and explain how you implemented the approved grant activities in accordance with your State Plan/Program Narrative. (Note: Your activities should align with your category expenditures in Section IV and you may use those categories as headings in your response as applicable.)			
<input type="checkbox"/> Check if no activity during this reporting period.			
Communication: Maryland State Board of Elections (SBE) continued to use the HAVA Election Security Grant for digital risk management (DRM). DRM service detects and prevents social media misinformation, impersonation, and other surface web manipulation / attacks on US elections. Voting Process: SBE continued to use the HAVA Election Security Grant for the ongoing cost related to the network connectivity with the MDVOTERS database for same day registration during early voting and election day. Cyber Vulnerabilities: SBE continues to use a total risk monitoring software subscription. The subscription provides a daily updated rating, visibility into all associated risk vectors and access to 12 months of historical data for SBE's information technology vendors. SBE also procured a comprehensive enterprise security platform that provides threat detection, hunting and response features that enable organization to discover vulnerabilities and protect IT operations.
