| 7. CARES Grant Specific:  |
|---|
| Describe in detail how you used the funds to address the pandemic.  |
| Funds were made available to the counties through a subgrant application process to secure the 2020 Federal primary and general elections during the Covid pandemic. For a variety of reasons, certain grant applications took longer to be submitted and approved, so certain payouts have been more recently made despite the expenses having been accrued on or near the 2020 Election Days. |
| 8. Describe the major issues you faced in dealing with the pandemic and how you addressed or resolved those issues.   |
| The Covid pandemic was a challenging backdrop in which to hold an election. Through judicious use of PPE and prospective education of county election administrators, not a single Covid infection was reported in WV at any of our statewide election precincts.   |
|   |

| 11. Describe the activities carried out by your subgrantees during the reporting period.  |

| Provide a breakdown of aggregate subawards expenditures across major categories.  |
